GIRRAWHEEN AND KOONDOOLA

Community mapping pins and idea locations

A snapshot of what you told us

We value our connections with friends, family and neighbours and reflect on the memories growing up and raising children in the area

We love the parks but want to further improve some amenities

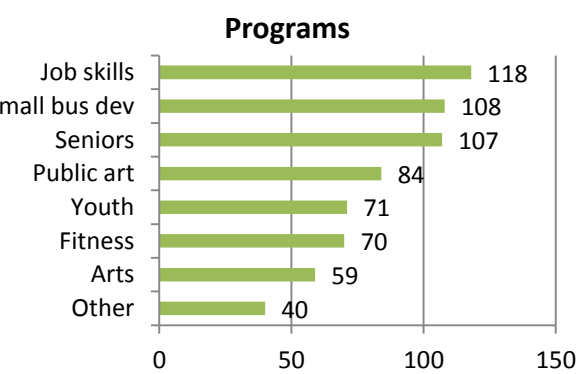

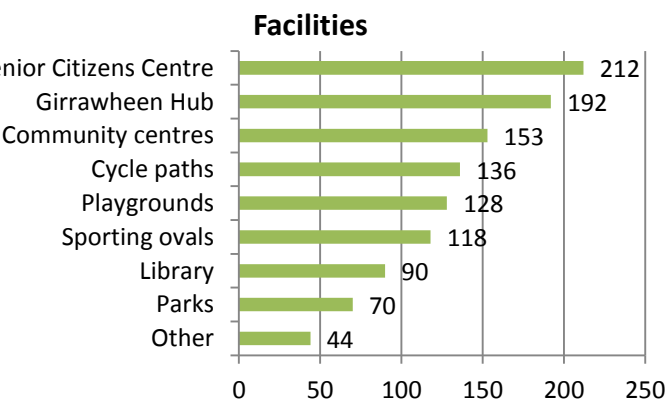

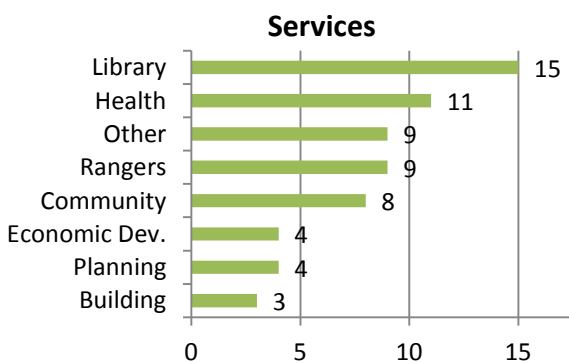

We appreciate the vibrancy and multicultural offers at our shopping centres, but want to improve the presentation and upkeep of these areas

We value the Girrawheen Library and tailored services provided for different community groups and view the Library as a focal meeting point

We need increased lighting and other ways to improve safety along our streets

We really value the bushland and trees
