Declaration

I, the person making this application declare that:

- the information contained in this application is true and correct in every particular.

Signature of applicant: _____

In the case of a company, the signing officer must state position in the company

Date: _____

¹ Is a business that employs less than 50 people in the 'manufacturing sector' or less than 10 people in the 'food services' sector.

² Ready to eat' means food that is ordinarily consumed in the same state as in which it is sold and does not include nuts totally enclosed in the shell or whole fruit and vegetables intended for further processing by the customer.

³ Process, in relation to food, means activity conducted to prepare food for sale including, chopping, cooking, drying, fermenting, heating, pasteurising or a combination of these activities.

⁴ Vulnerable Persons as defined in Standard 3.3.1 *Australia New Zealand Food Standards Code* eg Child Care Centres,

⁵ Food Standards Australia New Zealand (FSANZ) defines shelf stable as non-perishable food with a shelf life of many months to years, while perishable food is not shelf stable. Perishable foods are those likely to spoil, decay or become unsafe to consume if not kept refrigerated at 5 °C or below or frozen. Examples of foods that must be kept refrigerated for safety include meat, poultry, fish, dairy products, and all cooked food.

⁶ An Exempt Food Business is one of the following:

- Food business is conducted to raise money solely for purposes that are of a charitable or community nature; any food handled in the course of conducting the food business is not potentially hazardous food; or after being appropriately cooked, is provided by the food business for immediate consumption.
- Food business consists solely of selling food that is not potentially hazardous food and that cannot be handled in the course of conducting the food business because the food is contained in a closed package.
- Food business consists solely of providing complimentary drinks in conjunction with another business conducted at those premises that is not a food business.

Attachment Checklist

All Food Businesses:

- Design and Fit-out specifications of the premise
- Floor Plan: including layout, elevations, equipment specifications and finishings; and
- Sample Menu (*required to assist in risk rating of premises*)

Manufacturing and/or Residential Food Businesses:

- A complete ingredients list and preparation method for each food
- Copies of food labels where products are to be sold as packaged goods
- Food Recall procedures
- Details of storage conditions for raw ingredients and finished product
- Details of how you will determine shelf life of each product (recommended to be done by NATA Accredited Laboratory)
- Details of cleaning and sanitising procedures
- Details of your pest control program
- Details of where the products will be sold
- How the food will be transported

Food Premises registered with alternate Local Council

- Copy of Food Act 2008 Registration Certificate from local authority.
- Copy of Public Liability Insurance Certificate of Currency
