

## MAYORAL COLUMN

WELCOME TO THE WANNEROO LINK, OUR FORTNIGHTLY COMMUNICATION WITH CITY RESIDENTS.

### NEW DEPUTY MAYOR ELECTED

I am pleased to announce Councillor Dianne Guise, Central Ward, has been elected as the City's new Deputy Mayor and wish her all the very best for her term in the role.

Cr Guise is a longstanding member of the Council, after being elected in 2009. Prior to this, she served as the Member for Wanneroo and was the Deputy Speaker in the Legislative Assembly of the Western Australian Parliament.

I would also like to thank former Deputy Mayor, Cr Dot Newton JP, for her dedication and commitment to the role. Cr Newton will continue to serve the community as a Central Ward Councillor and Justice of the Peace.

### GENESIS CANCERCARE LODGE OPENS

Last month I was honoured to attend the opening of the Genesis CancerCare Lodge at Two Rocks. This initiative was created by resident Jo Holding who offered her former bed and breakfast to Genesis CancerCare to provide regional cancer patients, and their family, a place to stay during treatment.

The former bed and breakfast has undergone refurbishment with the help of Channel 7 House Rules duo Brian and Karina Day. The project has been supported by the generosity of local businesses and community members. It is truly inspiring to see the generous community spirit and I thank contributors and Genesis CancerCare staff, for supporting this much-needed service.

### WANNEROO SHOW

I look forward to a fantastic Wanneroo Show on 27 and 28 November at the Wanneroo Showgrounds and encourage residents to support this local event.

The big rides are back and this year there are numerous competitions giving locals a chance to shine. Categories include crafts, singing, animal showcases and horticulture. There are also many other exciting highlights and activities to enjoy.

The wonderful gentlemen from the Wangara based Northern Men's Shed will also be selling their woodturning wares. They are very creative and produce some amazing work, so please support them at the show or call Chairman John Norman 0417 849 509 to join. Visit the Wanneroo Show website [wannerooshow.com](http://wannerooshow.com) for more information.

### EDEN BEACH SAFETY

Since the welcome pedestrian access to the beach was opened by the developer at Eden Beach, Jindalee, there have been numerous complaints received about vehicles on the beach.

In response, the City of Wanneroo has taken extra measures to ensure drivers are aware of and comply with laws which ban vehicles on beaches and sand dunes.

The safety of beach users is paramount and we will not tolerate illegal activities that put residents at risk. Please report this illegal activity to City rangers on 1300 13 83 93.

**Mayor Tracey Roberts JP**

## COMMUNITY ENJOYS FREE JAZZ CONCERT

QUALITY ENTERTAINMENT, TASTY FOOD, GOOD FUN AND A STRONG SENSE OF COMMUNITY COMBINED TO CREATE A TRULY MEMORABLE NIGHT UNDER THE STARS AT THE WANNEROO SHOWGROUNDS ON SATURDAY 7 NOVEMBER.

The annual City of Wanneroo Presents concert offered a delightful twist on popular movie theme music, when the WA Youth Jazz Orchestra (WAYJO) took to the stage.

WAYJO's talented members captivated the audience with their deft musicality, performing tunes from well-known movie soundtracks including Mission Impossible, Monsters Inc., The Lion King, Jungle Book, The Incredibles and Beauty and the Beast Mayor Tracey Roberts said.

"The City's annual concert is always extremely popular. It brings the community together and gives families the opportunity to create lasting memories," Mayor Tracey Roberts said.

"Western Australian band The Brow enthusiastically warmed up the stage prior to WAYJO with their genre-defying fusion of pop, electronic and hip hop sounds. The six piece brass and beats band filled the showgrounds with high energy music that had people happily bopping along."

"The City was proud to host the free family friendly event, thoroughly enjoyed by people of all ages. I received such glowingly positive feedback from the audience that shows the event was very much appreciated."

A wide range of food vans provided plenty of choice for dinner and an array of free activities kept everyone entertained. Bungee trampolines, free circus skills and dance workshops and rock climbing were just some of the many fun activities people relished trying on the night. There was so much to see, do, enjoy and experience.

"The City's events season is off to a wonderful start and I encourage people to head to the City's website and sign up for our events newsletter to make sure they don't miss future events," Mayor Roberts said.
