

## MAYORAL COLUMN

WELCOME TO THE WANNEROO LINK, OUR FORTNIGHTLY COMMUNICATION WITH CITY RESIDENTS.

### FUND OUR FUTURE

This month I launched the National Growth Areas Alliance (NGAA) Fund our Future campaign. The national campaign is designed to ensure those living in the outer suburbs are not disadvantaged. NGAA analysis confirms greater government commitment to infrastructure is urgently needed in our outer suburbs and it is with energy and enthusiasm that I lead this national campaign in Western Australia. The launch achieved extensive media coverage designed to ensure our nation's leaders listen to our important message and take action.

The City of Wanneroo is supporting the Fund Our Future campaign, to advocate for a dedicated national infrastructure fund for high-growth Council areas like ours. Make your voice heard in Canberra, please visit [fundourfuture.info](http://fundourfuture.info) to send an email to our politicians urging them to Fund Our Future. Together we have a loud voice that cannot be ignored.

### QUINNS BEACH COASTAL MANAGEMENT

Residents are invited to attend a community information session later this month regarding the long term management of the Quinns Rocks coastline. Unfortunately the area suffers from significant erosion issues and the City is determined to find long term solutions to this problem. See the advert to the right for the community information session details.

### EVENT SEASON WRAP

The City's Events Season has officially come to an end with the Global Beats and Eats Festival presented by LiveLighter at Girrawheen's Liddell Park this month.

Thousands of people braved the wet weather to hear the fantastic sounds of headliner Dan Sultan, who was supported by the very talented Kim Churchill, Phoenix King and Mambo Chic. Crowds were also entertained with drum workshops, hula performances and Chinese lion dancing, and the delicious cuisines from right across the globe were thoroughly enjoyed.

I am already looking forward to the 2016/17 Events Season, which promises to be bigger and better than ever.

### WEST AUSTRALIAN OF THE YEAR

A big congratulations to Butler resident Rishelle Hume, who has been named as a finalist for the 2016 West Australian of the Year Awards - Aboriginal Award Category. We look forward to hearing how Rishelle goes in the awards ceremony in June.

## WONDERFUL WANNEROO CAPTURED

\$3,000 PRIZE MONEY WAS SHARED AMONGST NINE TALENTED PHOTO ENTHUSIASTS IN THE CITY OF WANNEROO'S CAPTURE YOUR WANNEROO EXPERIENCE PHOTOGRAPHY COMPETITION.

More than 400 entries were submitted, capturing favourite spots within the City.

For the first time a Mayor's Choice Award was included, with Mayor Tracey Roberts selecting a photo of a kookaburra at picturesque Yanchep National Park, entered into the youth category by Zavier Morey.

"I love this competition as it encourages residents, friends and visitors to adventure out into our beautiful City with plenty of picturesque places and attractions to capture," Mayor Roberts said. "The high standard of entries was really overwhelming, and really enforces what a wonderfully unique place Wanneroo is."

This year the competition was opened up to professionals, with local photographer Kelli Bannister taking out the professional prize with an amazing image of her children enjoying one of the City's beaches.

Photographs were judged by an independent judging panel on their ability to capture the unique characteristics of the area, composition, focus, use of light and creativity.

Images submitted to the competition will be used in City of Wanneroo publications and promotions, helping promote the region as a tourism destination. Visit our website to view all the winning photographs.
