Week commencing 6 June 2016

Wanneroo Road

Location	Activity	Traffic Impacts	Timing
New Flynn Drive alignment	Site establishment: » Removing kerb and street lighting	» Nil	Ongoing
Between Flynn Drive and just north of Hall Road	Construction of new Wanneroo Road alignment: » Constructing pavement » Asphaltting » Installing temporary barriers » Installing street lighting	» Speed limit reduced to 60 km/h » Trucks accessing site via Wanneroo Road	Ongoing until late 2016 <i>Intermittent night works (7pm – 7am) and Sunday works (7am – 7pm) required during June. Click here for more information.</i>

Working Hours

Construction works will generally be conducted, Monday to Saturday between 7am and 7pm. Site maintenance, such as refuelling and dust suppression, is undertaken outside of these times. Some construction works will be required outside of these general hours and notification of such works will be provided to local residents where necessary.

Traffic Changes

Changed traffic conditions are in place throughout the project area, including speed restrictions and lane closures. Reduced speed limits will remain in place throughout the duration of the project, where required, due to changed road conditions. Signage will be place through the works and we ask road users to follow all traffic management in place.
