BUDGET ADOPTION PROGRESSES BUTLER NORTH DISTRICT OPEN SPACE

BUTLER NORTH DISTRICT OPEN SPACE IS SET TO GET A NEW SPORTS FACILITY THAT WILL PROVIDE GREATER SPORTING AND RECREATIONAL OPPORTUNITIES FOR THE AREA.

The complex is a huge win for local sporting clubs who will have access to high quality fields for local competitions.

The total cost of the project is \$21.9m. The City has allocated \$650,000 this financial year and will contribute a further \$6.61m in years to come.

Department of Sport and Recreation Director General Ron Alexander said people are more easily encouraged to be active when there are quality local sporting and recreation facilities.

"It's important for residents to have access to quality facilities because we believe active communities enjoy greater mental and physical health as well as being more connected to each other and the environment," he said.

The new complex will include two multi-purpose senior sized playing fields, an activity space, Little Athletics facility, 16 multi-purpose hard courts, sports amenities and community art buildings and a landscaped park with picnic facilities, cricket nets, exercise equipment pods and a car park.

COMMUNITY FUNDING

The City of Wanneroo provides opportunities for community groups to apply for funding support for a variety of activities and events.

The next funding round will be opening soon and community groups are encouraged to visit our website to determine whether their project or event is eligible for funding. Please visit wanneroo.wa.gov.au/communityfunding

Mayor Tracey Roberts with local artist Suzie Logue at Mary Lindsay Homestead in Yanchep.

MARY LINDSAY HOMESTEAD BENEFITS FROM BUDGET

THE HOME OF THE HONOURABLE MARY LINDSAY, WHO BOUGHT 23,000 ACRES OF LAND IN TWO ROCKS IN THE 1920s, WILL BE REVITALISED AND OPENED UP TO THE PUBLIC THROUGH TWO EXCITING NEW PROJECTS.

As part of this year's City of Wanneroo budget the building will receive a \$1.23 million rejuvenation, and be transformed into a community meeting space with an emphasis on art and culture. The building will have a gallery, wet rooms and an artist-in-residence space.

Two Rocks resident and artist Suzie Logue said the project would turn the former homestead into a great asset for the area.

"We used to be a little village where everyone knew each other but as the area has grown, the sense of community has lessened. The new meeting space will be a fantastic way to reconnect and strengthen the relationship between locals," she said.

"There are lots of talented artists working in isolation because there's nowhere for us to link together. Workshops and exhibitions will connect, inspire and develop local talent."

City of Wanneroo Mayor Tracey Roberts said \$608,000 had also been assigned for the development of the public open space surrounding the homestead.

"There will be playgrounds, barbecues, open grass areas and shelter to welcome the community, as well as access ways, carpark and toilets," she said.

"Mary Lindsay Homestead is in a prime position behind the dunes close to Yanchep Lagoon. The new facilities at this significant heritage site will provide families with a wonderful space to connect while educating them about the history of the area."

Both projects are expected to be completed in mid to late 2017.

WINTER PLANTING EVENTS

The City will hold a number of free planting events this Winter. Please bring gloves, a trowel, water bottle and wear sturdy shoes. Morning tea will be provided.
