

MAYOR'S MESSAGE

Pioneers Function

It was an honour to welcome 15 new Pioneers to the City of Wanneroo at a function held at Bridgeleigh Reception Centre. The title of Pioneers is awarded to long-term residents who have contributed to our community and lived in the City for 50 years of their adult life.

We now have 116 Pioneers and it is wonderful to hear stories of the past and celebrate Wanneroo's rich history.

All Pioneers were presented with a special gift, the book "Live, Work, Play: Wanneroo Recollections."

The book tells the stories of the people who helped to establish Wanneroo and whose hard work has laid the foundations for what has become one of Australia's fastest growing cities. Many of our Pioneers are proudly featured in the book.

To read profiles of our 15 new Pioneers please visit our website.

Congratulations Rishelle

I had the pleasure of meeting Rishelle Hume and extended the congratulations of our community to

the 2016 Aboriginal Award winner from the Western Australian of the Year Awards. The City is extremely proud of Rishelle's achievement and work in the local community.

Homelessness Week

This week is Homelessness Week, which aims to promote a greater understanding of this community issue and how best to respond to it.

The City works with local organisations to promote their services and link people experiencing homelessness with the appropriate services.

Race in your rates for your chance to win

The City of Wanneroo is once again giving ratepayers the chance to win as part of the annual Race in Your Rates incentive.

Residents who pay their rates in full*, or pay the first instalment by Monday 5 September will go in the draw for your chance to win an incredible prize.

Wanneroo Mayor Tracey Roberts said this year's major prize was a \$5,000 travel voucher to use for a dream holiday, be it a beach getaway or a ski adventure.

Rates are necessary for the City to provide households and businesses with services and facilities including libraries, recreational facilities,

ranger services, health services, rubbish removal, road upgrades, environmental maintenance and new constructions.
