The new Pearsall/Hocking Community Centre is set to open this month.

The Pearsall/Hocking Community Centre is just days away from completion, set to be open to the public later this week (13 October).

Wanneroo Mayor Tracey Roberts said the centre was a modern, first-class community facility, available for local community groups as well as casual bookings.

"Located close to the school and shopping precinct, once operational the centre will add

to the creation of a real community hub in this thriving area," she said.

The Pearsall/Hocking Community Centre has a large function space and first-class kitchen that includes two ovens, perfect for functions.

There is also activity and meeting rooms, four office spaces, playgroup room complete with children's furniture and an outdoor playground.

"There are also fantastic end-of-trip facilities for cyclists such as showers, change-rooms and lockers," Mayor Roberts said.
