MATE

Making Aquatics a Terrific Experience

AUSTSWIM and the City of Wanneroo are excited to introduce the MATE program (Making Aquatics a Terrific Experience), an innovative and interactive community program aimed at optimising health and wellbeing opportunities, as well as a social opportunity for people with medical conditions and/or disabilities.

MATE offers:

- Assistance from an instructor
- Simulation exercises - movement in the water
- Aquatic activities in an inclusive setting
- Networking opportunities
- Use of pool equipment
- Sensory experience

Why is aquatic activity beneficial?

- Promotes sense of well being
- Maximises mobility and promotes independence
- Enhances mood and self-esteem
- Provides fitness opportunities for you and your MATE

Session Times

Saturday 3pm to 4pm
Cost \$59 per 10 week term

Feel free to stay for a chat, coffee and tea supplied. Feel free to bring a plate.

“We aim to make access to aquatics easier for all our MATE’s!”
