

Local Government Elections 2017

Candidate Profiles Central Ward

Ballot Paper Order as drawn by the
Returning Officer 14th September 2017

s4.52(1) Local Government Act 1995

City of Wanneroo - Central Ward - Councillor

SAWMADAL, Aaron ND

I have lived and volunteered within the local community for more than 10 years. Because of my volunteering efforts, I was awarded the Western Australian Volunteer of the Year 2014 (for ethnic communities). Among my works with the community groups were teaching newly arrived migrants the Australian's way of life and preventing young people from diverse ethnic background from in contact with justice system. I am married and have two boys, both of whom love sports and athletics. I have Master's degree in cyber and digital forensics. When elected as Councillor I will bring to our Council new and innovative ideas to protect and improve the City of Wanneroo to meet the challenges of the 21st Century. I will fight for improved and better council service delivery, efficient council workers time utilisation, increase in volunteer groups funding, safe neighbourhood watch schemes and reduction of unnecessary bureaucracy.

City of Wanneroo - Central Ward - Councillor

ETHERINGTON, Vic

I am running for council as I want to make a real difference to my local community. I have a keen interest in local government. Having worked 27 years in the Building, Planning and Environmental Health area. I know the issues we all face and I understand the roles of council in the community and how they can help us. I have also seen the poorest of efforts and I want to ensure that the City of Wanneroo is ahead of the game and continues to work to serve its community.

I want to help facilitate greater employment opportunities and attract more state government departments to relocate to Wanneroo. Improve accountability and transparency with honest communication and consultation with the community.

I am going to ensure we get best value for money being delivered on the ground. Cut red tape and make the council more user friendly.

City of Wanneroo - Central Ward - Councillor

BAILLIE, Andrew

Andrew Baillie your Central Ward candidate.

I believe Wanneroo and particularly the Central Ward needs vision and solutions from a new generation of public representative.

I am married with two teenage children. I live in Hocking and work in a leadership role in the charities and not-for-profit sector.

I am committed to making our city an even better place for all of us to live in, work in and raise our families in.

I will strongly support constructive solutions in addressing the six key areas identified for improvement by the residents and ratepayers of Wanneroo.

1. Safety and security.
2. Traffic management.
3. Playgrounds, parks and reserves.
4. Footpaths and cycleways.
5. Sport and recreation facilities.
6. Streetscapes.

I promise to be a strong local champion for our community and will work hard to overcome the challenges facing our city. I would be very grateful for your support.

City of Wanneroo - Central Ward - Councillor

MILES, Paul

I seek your support to represent you in the central ward at this election. Let's make the Town Center the focus of Wanneroo. Let's make our streets and parks safer with improved LED lighting, let's improve footpaths making them wider for our modern lifestyle, for mobility scooters, joggers, dog walkers and mums with prams. Let's put another training oval on the showgrounds for all sports and for the early bird swimmers, let's expand Aquamotion to include a 50 metre Lap pool. We've a once in a lifetime opportunity with the Inghams land sale, so we need to work smarter to get the correct balance with community consultation and planning to get it right. We must do all we can to keep our farmers local and competitive protecting over 3000 local jobs. Finally, the elephant in the room, we must tackle the ever increasing rates to keep living in Wanneroo affordable.

City of Wanneroo - Central Ward - Councillor

GENOVESE, Monique

I'm a wife, young mother and marketing professional, born in Perth. My husband's family are pioneers of Wanneroo and live and breathe all things Wanneroo. Because of his strong family history, I'm quickly learning to have an appreciation for this evolving part of town.

Passionate about the City's future, my desire is to keep it fair, sustainable and to ensure the area is supported with necessary infrastructure that doesn't come at the expense of its local heritage, culture and wildlife.

A Resident in the northern corridors for 30 years and recently becoming a young family myself, I empathize with neighbours as I too are living through the pressures of mounting house bills as well as trying to manage a work and home life balance.

Having similar ideologies as the City's next generation of rate payers, Residents will feel confident their views are represented with me as their Councillor.

City of Wanneroo - Central Ward - Councillor

HOWARD, Michael

My motivation for standing for election are :-

- Dissatisfaction with the ongoing increases in Council Rates, despite the depressed state of the Economy.
- Concerns of ratepayers aren't being properly heard.
- We need new blood and ideas on Council.

My wife of 28 years, Barb, and I have lived in the Wanneroo Area for our entire lives. We are strongly committed to this community. As a family, we had a 14 year involvement in Kingsway Little Athletics.

I was in the RAAF for 8 years serving our Country.

In our 30's we undertook tertiary studies while we had a young family to support. We know exactly what it is like to struggle.

After graduating I established a successful small business.

As a small business owner I'm acutely aware of the need to manage costs to meet budgets. Unlike the Council we cannot simply pass costs on to our clients (or ratepayers).

City of Wanneroo - Central Ward - Councillor

GUISE, Dianne

I have a long association with the Central Ward and appreciate the trust you have placed in me to represent you.

I am involved in a number of local community groups and want to see better use of our public open space as well as improved activation of key areas to bring a fresher perspective, catering for all age groups and creating local jobs.

I have a proven track record of working hard to deliver outcomes that benefit the whole community, supporting families, seniors, youth, the environment and community safety.

I believe my extensive leadership and business experience along with a detailed understanding of all areas of our City provides me with both a positive vision for our future and the capacity to deliver on that vision, ensuring your rates work for you.

I ask for your support so that I may continue to help build the community you want.

City of Wanneroo - Central Ward - Councillor

NEWTON, Dot

- I have the time, energy and knowledge to represent you.
- Community consultation and representing your views is always my aim.
- The development of the Neerabup Industrial estate, expansion of shopping centres will provide employment opportunities reducing travel time for many.
- We all need to support our local businesses, while attracting new ones to our area.
- I support the expansion of the CCTV network helping Police to catch offenders. I recently voted for a review of the allocation of crossing guards. Safety around our schools is paramount.
- Living in the ward I can relate to our seniors, families and market gardeners.
- I have been fortunate to meet many residents as a Councillor and JP.
- I am approachable, honest with no political ties or business interests. In fact I am a resident representing other residents.
- Please post in your vote allowing me to continue as your voice on Council.

Thank you.

City of Wanneroo - Central Ward - Councillor

AGNEW, John

By voting for me as your candidate, you will be voting for a person who in business and the community has a reputation of caring, friendliness, taking ownership, being responsible and accountable and getting things done. I achieve results through honesty, integrity and hard work. I have resided in the Wanneroo area for close on 10 years and would like to ensure it stays a great place to work and live. I endeavour to campaign for improvements where needed e.g. tight management of hoon behaviour, petty crime, graffiti and litter. Encourage investment in

Neerabup to create jobs.

In order to achieve this I pledge to you the voter that I will :

Make your concerns my concerns,

Operate with integrity,

Strongly support the community,

Be Available,

Contactable,

Honest,

Transparent,

A good listener

For a candidate you can depend on vote **John Agnew**
