

## Dog's day out at Dog's Breakfast

The countdown is on to one of our favourite events of the year, when our much-loved four-legged friends have their very own event; Dog's Breakfast.

Kingsway Regional Sporting Complex in Madeley will come alive on Sunday, 21 October with wagging tails and paws galore.

Bring your dog along for a morning of activities, and a variety of exhibits, competitions, workshops, entertainment and lots of giveaways!

Some of the highlights include free vet checks, a pooch-friendly photo booth, dog training, animal kinesiology (Q & A), onsite micro-chipping and children's activities.

Mayor Tracey Roberts said the friendly City of Wanneroo Rangers will also be on site to answer questions as well as accept dog registrations.

"Dog's Breakfast brings the family together for a day of fun and pet pampering," Mayor Roberts said.

"It's a wonderful opportunity to take the whole family - including our dogs - out to a free event.

"Afterwards, you can even take a look at the City's dedicated dog park within the Kingsway Regional Sporting Complex."

## Get set for the Garage Sale Trail

Do you have old or unused items lying around the house that you need to get rid of?

There is still time to register to host your own garage sale during Australia's biggest community sustainability event, taking place on 20 - 21 October.

Wanneroo Mayor Tracey Roberts is encouraging City of Wanneroo residents to 'choose to re-use' and be part of the annual Garage Sale Trail.

"According to The Australia Institute, 88 per cent of Australians have at least one cluttered room in their home," Mayor Roberts said.

"What better way of de-cluttering than hosting your own sale.

You will get to connect with people in your neighbourhood, all while making a bit of pocket money."

Last year, it was revealed that the average garage sale sold 11 shopping trolleys worth of items!

In fact, the latest findings from the *Gumtree Second Hand Economy Report 2018* reveal the average Australian household has \$4,200 in unwanted items and a staggering 50 per cent admit to throwing their unwanted items away.

"Garage Sale Trail presents the perfect opportunity to not only reuse, but to realise the responsibility we have for the waste we generate - as individuals, and as communities - in a fun and social way," Mayor Roberts said.

This will be the third year the City of Wanneroo has been involved, joining more than 140 Councils across the country.

In 2016, the City of Wanneroo was awarded the "Best Newcomer Award" in recognition of an excellent inaugural

event. Last year, 117 individual sales and seven group sales were registered locally with almost 5500 people engaging in those sales.
