Overall Assessment and Comment

The tender submission from Environmental Industries satisfied the overall value for money assessment in accordance with the assessment criteria and weightings as detailed in the Procurement and Evaluation Plan and is therefore recommended as the successful tenderer.

Statutory Compliance

Tenders were invited in accordance with the requirements of Section 3.57 of the *Local Government Act 1995*. The tendering procedures and evaluation complied with the requirements of Part 4 of the *Local Government (Functions and General) Regulations 1996*.

Strategic Implications

The proposal aligns with the following objective with the Strategic Community Plan 2021-2031:

5 – A well planned, safe and resilient City that is easy to travel around and provides a connection between people and places

5.3 – Responsibly managed and maintained assets

4 - A sustainable City that balances the relationship between urban growth and the environment

4.3 - Manage natural assets and resources

Risk Appetite Statement

In pursuit of strategic objective goal 5, we will accept a Medium level of risk, extended to High in the areas of Community / Reputation & Financial / Commercial impacts. Shifting transport modes and usage in the City may require short term pain for longer term gain as the City supports the development, maintenance and connection of alternatives to car use (e.g. cycle ways) and the supporting infrastructure.

The above risks relating to the issue contained within this report have been identified and considered within the City's Corporate Risk Register. Action plans have been developed to manage this risk to support existing management systems.

Financial Risk

An independent financial assessment was not undertaken as the most recent assessment of the recommended entity was requested in August 2022 and was assessed with a 'strong' financial capacity to meet the requirement of the contract. All payments are made on satisfactory provision of the services.

Please see the Confidential Attachment for details of the recent financial assessment.

Performance Risk

Environmental Industries holds a number of maintenance contracts for local, state and government agencies. Independent reference checks confirm that the recommended tenderer is able to meet the requirements of the tender.

Refer to the Confidential Attachment for details of the reference check.

Before any contract activity proceeds, in accordance with WHS Contract Management instructions that form part of the City's Contract Management System, a Corporate Online WHS induction will be undertaken and the Contract Start Up meeting will be utilised to validate compliance with all essential WHS requirements.

Policy Implications

Tenders were invited in accordance with the requirements of the City's Purchasing Policy.

Financial (Budget) Implications

The costs associated with Parks and Streetscapes Maintenance for Butler West are included/listed for consideration in the Parks and Conservation Management Annual Operational (approved and draft) Budgets. The scheduled maintenance is as per the scope and specification of the contract with fixed pricing per year. All additional works required are reactive and ad hoc and undertaken using the schedule of rates listed in the price schedules.

Recommendation:

That the Chief Executive Officer, in accordance with Delegation 1.1.13 - Choice of Most Advantageous Tender of the Delegated Authority Register for the awarding of tenders ACCEPTS the tender submitted by Environmental Industries for Tender 22123, for the PROVISION OF PARKS AND STREETSCAPE MAINTENANCE IN BUTLER WEST for the Fixed Lump Sum of \$896,944.02 and as per schedule of rates detailed within the tender submission and subject to appropriate funding availability for each of the financial years within the initial two year contract term.
