

**TRUONG, Nguyet-Anh**

I am a serving Councillor who has been part of our local community for nearly two decades. I am a former Teacher Assistant and Liaison Officer at Girrawheen High School as well as successful local business woman.

During my term I have worked hard to improve our local roads, parks and community facilities, and I am proud to be part of team that has delivered nearly \$100 million of services and facilities to our community.

In addition, I have worked to improve community safety through the extension of the City's CCTV network into our community.

With your support I am keen to continue my work on a range of local initiatives including; a new regional library at Kingsway, improved library services for Girrawheen, traffic lights at the intersection of Highclere Blvd and Hepburn Ave as well as the continued extension of CCTV into more of our neighbourhoods.
