

ROBERTS, Tracey

As your local Councillor and Deputy Mayor I seek your support so that I can continue to work hard on behalf of all residents. Elected to Council in 2003, I understand the challenges the City faces as the fastest growing local authority in WA.

I have qualifications in Business Management, Local Government and am a Justice of the Peace.

Enthusiastically interested in local issues I actively support all residents, community and sporting groups. I am a strong, reliable representative and a great deal has been achieved for our local area including:

- responsible financial management and planning;
- introduction of community safety patrols;
- continuing the street/pavement upgrade programme;
- Traffic Management Plans;
- foreshore rehabilitation and improved beach accessways.

We still have much to achieve. I am a strong supporter of a coastal path linking Mindarie to Burns Beach and I understand the need for the future provision of additional community facilities and programmes.
