

## Thankyou for your interest in volunteering

Volunteering is an avenue for sharing life experiences and skills, making new friends, staying active, engaging in your community, learning new skills and can be a pathway to paid employment - whatever your reason for volunteering we thankyou for your interest.

Roles within the City are varied including conservation planting, gallery attendant, crèche assistant, toy libraries, assisting with sporting programs, attending Ecovision homes, gardening, aged care, heritage programs, English conversation groups, books on wheels, historical projects, computer classes, driver revive and administrative based roles and can therefore accommodate a range of ages, abilities and interests.

The City of Wanneroo firmly believes volunteers offer a valuable contribution to the organisation and the community and in doing so provide induction, orientation, training opportunities and on-going support.
