

DONIS, DAVID JAMES

My name is David Donis, a lifelong resident of the Central Ward in Wanneroo. I have actively represented Wanneroo for an extensive number of years on a wide variety of issues, local, state and federal. My philosophical belief is that the individual, and the family unit are the most important of any institutions. I would like to enshrine rights and civil liberties, whilst taking a hard line view on those that abuse the privileges of society. (especially underage youth) I understand unnecessary restrictions, regulations and petty laws have caused dissatisfaction for local government in recent times, which is why I ask that a vote to elect myself will ensure

you have a committed representative that understands the reality of being on the receiving end of local governments judgments.

Please do not hesitate to contact me on the provided number for any questions, concerns or information about myself you may have.
