WANNEROO

Community Mapping Pins and Idea Locations

A Snapshot of What You Told Us

**Community and cultural connections**
Wanneroo is still a green suburb unlike all new surrounding developments that are nothing but colourbond roofs and no trees.

**Transport and connections**
Build a shared path between Joondalup Lake and the Wanneroo Centre. Improve the pedestrian connection from the library to Yagan Place.

**Community Facilities**
At Wanneroo it’s easy to shop, lots of places to eat, it has a great Library and transport connections to the train station.

**Sustainability, parks and trees**
Wanneroo has wonderful green areas and natural bushland areas - spaces to walk the dog off lead and let the kids play in natural surroundings.

**Town Centre and shopping district**
Refigure it into a pedestrian friendly community-area, rather than ugly car parks, dangerous roads and walkways, petrol stations & fast food places.

**Safety and crime**
The streets around St Anthony’s School are too dangerous for everybody when it comes to school pick ups and drop offs.
