# Exciting news for businesses in the Wangara Industrial Area!

As part of the Australian Government's Building our Future program, the City of Wanneroo has received funding to increase CCTV infrastructure in the area. Benefits include:

Supporting our local  
businesses and  
community

Deter anti-social  
behaviour before it occurs

Improve public and  
business safety

Reduce any  
anti-social behaviour

Future proof  
Wangara development

Increase business and  
investor confidence

Improve business  
insurance rates
