

# Human Spirit Road Safety Award

## Background

The Human Spirit Road Safety Award (previously Human Spirit Award) is designed to be presented by RoadWise/road safety committees, to people or organisations/groups in their communities who make a strong contribution to local road safety.

The award can be for a member of the committee, someone in the broader community, or an organisation or group as a whole (such as a service club or community group). The award can be presented at any time of the year, however is often presented in conjunction with a *Blessing of the Roads* event.

There are dedicated road safety champions working in local communities across the State and the Human Spirit Road Safety Award provides an opportunity to recognise their valuable contribution.

If you have dedicated road safety champions who you would like to recognise at a *Blessing of the Roads* event, please contact your closest Road Safety Advisor (information available page 10) for more information or visit the website; [www.roadwise.asn.au/human-spirit-awards.aspx](http://www.roadwise.asn.au/human-spirit-awards.aspx).

## Nomination form

Nominations for this award must be from a member of a RoadWise/road safety committee, with endorsement from the committee chairperson (who will be a co-signatory) and in consultation with the relevant Road Safety Advisor.

### NOMINEE'S CONTACT DETAILS

First name: \_\_\_\_\_

Surname: \_\_\_\_\_
