MAYORAL COLUMN

We are getting to the end of the year where we ask you to find it in your heart to try and help those less fortunate.

The Mayor's Christmas Appeal is on again and it's something I am truly passionate about. It's a unique, community driven event, supported by residents of the City of Wanneroo to ensure families in our community who are less fortunate can enjoy Christmas.

There are collection bins located throughout the City until Friday, 22 November. Donations will be gratefully accepted from all residents, reflecting a fine example of community spirit.

Let's all work together and create a Christmas to remember for those less fortunate.

We are well and truly headed into a hot summer and I would like to remind everyone to please be safe whilst swimming.

Some simple tips from Surf Life Saving WA include: read the safety signs, swim between the flags, ask a lifeguard for safety advice, swim with a friend and remember if you need help, stay calm and attract attention.

Together we can all look after each other and enjoy our lovely coastline.

ROUNDBOUT BRAZIER ROAD/WILKIE AVENUE

The roundabout at the intersection of Wilkie Avenue and Brazier Road is now complete.

The project team is anticipating the section of road up to the car park at Fishermans Hollow to be open prior to Christmas, with the remainder of stage 1 to open up to the kiosk by the end of February 2014.

RESIDENTS REJOICE AS RACE IN YOUR RATES WINNERS

The annual City of Wanneroo Race in Your Rates function saw \$8,000 worth of prizes given out to winning ratepayers.

Mayor Tracey Roberts presented the lucky recipients with their prizes, thanking them all for their prompt payment of rates, which are used to deliver infrastructure, programs and services for residents and visitors of the City.

"These services include those commonly known and used by households every day, such as rubbish collection and recycling, street lighting, roads, parks and playgrounds," Mayor Roberts said.

"However the range of services we as a City provide is extensive and also includes aged care services, health control, storm water drainage and ranger services."

Darch resident Tania Bourke took home first prize - a \$4,000 travel voucher which she can use for an amazing holiday in a location of her choice, while Jacinta Greene of Marangaroo will get to enjoy a \$2,000 shopping spree. The four other winners will each share in \$2,000 worth of Coles-Myer vouchers.

All ratepayers who paid their rates by Friday, 6 September, either in full or the first instalment, automatically went into the draw to win these fantastic prizes.
