FREE event
TICKETS ESSENTIAL

Australian artists Lisa Mitchell and Josh Pyke will be performing a free concert in Wanneroo this November.

City of Wanneroo Presents:

Tickets are now available exclusively to City of Wanneroo residents for the annual City of Wanneroo concert featuring two of Australia's prominent artists, Lisa Mitchell and Josh Pyke.

Each artist will present their beautiful, whimsical tunes and are looking forward to seeing everyone at this free, fantastic event.

"You'd be crazy not to come down and hang out with us and have a beautiful time," Lisa Mitchell said.

"It's so nice when it's a free gig you can come down and see the community being together, it feels really inclusive," Josh Pyke announced.

"The most important thing is to get down and enjoy it and take advantage of the fact that it's being put on. Not every community has events just for their enjoyment."

The concert is suitable for the whole family with kids' entertainment, a youth area and plenty of fun activities for everyone to enjoy from 4pm-10pm. Bring along a picnic or visit one of our food and drink vendors on the day. Don't miss your chance to see these incredible acts.

Tickets are available online exclusively for City of Wanneroo residents until midnight Sunday, 22 September.
