

Please read the following

Families and carers of people with a disability who wish to ride the swing need a Liberty Swing key to unlock the straps compartment and mobilise the swing.

Please carefully follow the directions on the swing.

The same key allows access to some other Liberty Swings (such as the one at Tom Bateman Reserve, City of Gosnells and Sir James Mitchell Park, City of South Perth) and some accessible toilet doors throughout Australia.

Information for Parents and Carers

Locking and unlocking the Liberty Swing is an important part of preventing vandalism, so please look after your key.

The City encourages you to use the swing as much as possible. A key payment of \$19.00 is charged and you may keep the key.

Your co-operation is appreciated.
