

The countdown is on to registering your cat

Is your loveable fur ball registered with the City of Wanneroo?

The Cat Act 2011 was passed by the West Australian Parliament in November 2011, so what does this mean for your feline friends?

From 1 November 2013, all cats over six months of age are required to be:

- » Registered with a local government
- » Sterilised (unless used for breeding by a registered breeder)
- » Microchipped so they can be returned to their owners if lost, stolen or straying from their owner's property.

Whilst owners are not required to sterilise or microchip their cats until 1 November 2013, the City of Wanneroo encourages responsible cat ownership and recommends that cat owners sterilise and microchip their cats before the due date.

Visit the Cat Haven at www.cathaven.com.au for all your sterilisation and microchipping needs as well as events leading up to the changes in November.

The City's Ranger Services are always happy to help answer your questions, please call them on 9405 5000.

Student Scholarship Award Winners

Congratulations to the winners of the City's Student Scholarship Awards.

These awards are presented to students in Government High Schools within the City of Wanneroo who have demonstrated an interest and participation in school and community affairs and who have strived for personal development.

Each student receives a framed certificate and \$400 which is held and managed by the school to be used for payments associated with fees, textbooks, excursions and other study related requirements.
