

NIGHT WORKS

Hester Avenue, Clarkson

13 October - 14 November 2015

Night works will be undertaken intermittently between 7pm to 5am, Monday to Friday to establish the project site along Hester Avenue from **Tuesday 13 October to Saturday 14 November 2015**.

Works will be undertaken to minimise noise impacts on the local community where possible.

WORK LOCATION

Works will be undertaken progressively at various locations along Hester Avenue between Ridgewood Boulevard and Wanneroo Road.

TRAFFIC IMPACT

Traffic travelling in both directions on Hester Avenue between Connolly Drive and Wanneroo Road will be stopped for short periods of time during these works.

Signage will be in place to guide road users through the works.

Road users are encouraged to allow extra time as delays are expected.

WORK ACTIVITIES

Road pavement construction will be carried out along sections of the Hester Avenue median for temporary use by traffic during project works. Night works will include:

- Installation and removal of traffic management;
- Removal of median islands, kerbs and street lighting;
- Placement and compaction of road base material and laying asphalt; and
- Installation of steel barriers along verges.
