## About the Stadium

---

Kingsway Indoor Stadium is the City of Wanneroo's premier indoor sporting facility and one of the largest and most exciting sport and recreation facilities in Perth.

Kingsway boasts an impressive selection of senior and junior sports including indoor soccer, indoor football, ladies and mixed netball, basketball, badminton and volleyball. There are also freestyle group fitness classes plus a range of junior clinics and holiday programs.

The large range of facilities also make it a great venue to hire for functions and meetings.

## Indoor Footy

---

Indoor Footy is an exciting, non-contact hybrid version of Australian Rules Football. Normal football rules apply, with marks, freekicks and goal posts, with the main difference being a player is tagged rather than tackled. Indoor Footy is fast, skillful and can be played by people of all ages, fitness and skill levels.
