

MAYORAL COLUMN

WELCOME TO THE WANNEROO LINK, OUR FORTNIGHTLY COMMUNICATION WITH CITY RESIDENTS.

THANK YOU

I would like to express my sincere thanks to the community for their trust and support in re-electing me as Mayor of our wonderful City that has a population of 187,000 residents, covers an area of 685 square kms, and includes 36 kms of coastline. The City of Wanneroo is a proud local authority, built on the strong values of our hard working Pioneers. While the City is a great place to live, there is still much to be achieved and it is important that we continue to listen and work with the community.

Please remember that all your Elected Members live locally and I encourage residents to get to know their local Councillor. We are all very approachable and work incredibly hard to represent the best interests of the community.

2015 RELAY FOR LIFE

The City of Wanneroo is proud to once again be involved as a sponsor of Relay for Life. As a breast cancer survivor and Co-Chair of the Cancer Council Relay for Life Joondalup Wanneroo, held on 17-18 October, it was with a great deal of pride that I stood shoulder to shoulder with such an energetic, compassionate group of people who worked incredibly hard to ensure the event was a success. Once again, it is great to see local people supporting a local event to raise funds and increase the awareness of cancer in the community.

It was an inspirational and emotional weekend. The determination of teams and individuals who walked and ran together for 24hrs to raise more than \$340,000 for cancer research was a fabulous achievement. The atmosphere was positive and everybody was determined to do their best. Sincere thanks to everyone involved.

2015 CHARITY GOLF DAY

The City of Wanneroo's annual Charity Golf Day Function was held at the beautiful Carramar Golf Course this month. This special occasion on the City's calendar has raised vital funds for the YouthCARE Chaplaincy Services. These services provide much needed pastoral care, in a trusting environment, to support students and I am pleased to announce that the event raised \$38,150 for local public secondary schools. This is a wonderful effort and I thank everyone for their generosity towards this very worthy cause.

The City of Wanneroo Staff Golf Day at the wonderful Marangaroo Golf Course also received an excellent result, collecting \$5,800 in team fees. Thank you to the staff and greenkeepers who assisted with making the day a success.
