

NIGHT & SUNDAY WORKS

Wanneroo Road, Neerabup

1 to 30 June 2016

Night works will be undertaken along Wanneroo Road between **Hall Road and Flynn Drive** from **7pm to 5am on intermittent nights during June 2016**.

There will also be some work on intermittent **Sundays** between 7am and 7pm..

Works will continue as usual between 7am and 7pm, Monday to Saturday.

TRAFFIC IMPACT

The speed limit through the works will be reduced to 40km/h.

Traffic travelling on Wanneroo Road and Flynn Drive may be stopped for short periods of time.

Once these works are complete, traffic using Wanneroo Road will be travelling on a modified road layout with the speed limit reduced to 60km/hr.

Road users are asked to take extra care when travelling through the area and follow all traffic management in place.

WORK ACTIVITIES

Night and Sunday works will include:

- asphaltting;
- constructing pavement;
- kerbing;
- relocating traffic;

- installing traffic barriers; and
- installing and removing traffic management.

Various equipment and machinery will be used such as rollers, compactors and pavers.

We will minimise noise impacts on the local community as much as possible.

NIGHT WORKS

Kinross

3 June to 3 July 2016

7pm to 5am

Intermittent night works will be undertaken within the fenced project site along the Mitchell Freeway extension, between Clydebank Crescent and Burns Beach Road. The works will take place from **7pm to 5am, 3 June to 3 July 2016**.

WORK ACTIVITIES

Services will be installed underneath the train line and future Mitchell Freeway alignment.

Various equipment and machinery will be used including light vehicles, excavators and lighting towers.

We will minimise noise impacts on the local community as much as possible.

TRAFFIC IMPACT

Road users will not be impacted by the works.

NIGHT WORKS

Currambine Station & Mitchell Freeway on-ramp 31 May to 7 June 2016

Night works will take place from **7pm to 5am, 31 May to 3 June** at Currambine Station and the Burns Beach Road on-ramp to Mitchell Freeway.

During the long weekend of 3 to 7 June, work will take place continuously from 7pm on Friday to 5am Tuesday to install the Currambine Station underpass.

Works must be undertaken at this time due to safety requirements when working in close proximity to the rail line.

TRAFFIC IMPACT

Pedestrians accessing the walkway at Currambine Station may be required to stop for short periods of time.

The speed limit at the Burns Beach Road on-ramp to Mitchell Freeway southbound will be reduced to 40km/h.

WORK ACTIVITIES

Works will include:

- Earthworks
- Installation of the station underpass

We will minimise noise impacts on the local community as much as possible.
