Curtin Ignition is an intensive one week entrepreneurial education program for aspiring entrepreneurs, academics and corporate innovators. It allows participants to prepare and trial business ideas for the commercial environment.

Learn how to:

- explain your business opportunity in commercial terms
- identify good opportunities in a short period with minimal investment
- clarify your idea and have it tested in a high calibre and safe environment
- make a significant network of contacts
- gain confidence and a clear path forward

**An information session will be held at 9.30am on 7 July at Hybrid 935, 935 Wanneroo Road, Wanneroo**

Representatives from the City and Curtin University will be there to answer questions about the scholarship and a local business owner who has benefited from the program will provide a first-hand account of its success.
