Click here for more information.</i>
Joondalup Drive intersection	Services works: » Relocating underground services	» Speed limit reduced to 60km/h	Ongoing until September 2016

Working Hours

Construction works will generally be conducted, Monday to Saturday between 7am and 7pm. Site maintenance, such as refuelling and dust suppression, is undertaken outside of these times. Some construction works will be required outside of these general hours and notification of such works will be provided to local residents where necessary.

Traffic Changes

Changed traffic conditions are in place throughout the project area, including speed restrictions and lane closures. Reduced speed limits will remain in place throughout the duration of the project, where required, due to changed road conditions. Signage will be place through the works and we ask road users to follow all traffic management in place.
