

MAYORAL COLUMN

WELCOME TO THE WANNEROO LINK, OUR FORTNIGHTLY COMMUNICATION WITH CITY RESIDENTS.

FAST-TRACK RAIL TO YANCHEP

Momentum is building around the City of Wanneroo's ground-breaking campaign to fast-track the extension of the northern railway line to Yanchep.

This innovative proposal involves a partnership between all tiers of government and private sector, sharing the cost of the extension equally between state and federal governments, as well as landowners in the northern corridor.

Our region desperately needs the rapid delivery of this vital infrastructure to cater for the population already residing in these suburbs, as well as our future residents.

Amidst the discussion around the need for Smart Cities and the concept of value capture, this proposal ticks all the right boxes.

Everybody recognises that rail to Yanchep needs to happen - it has always been a question of when. This proposal will help make it happen.

The City will continue to facilitate discussion between the landowners and governments.

It is important that we maximise opportunities to deliver much needed infrastructure for our fast growing community.

WANNEROO BUSINESS EXPO

The Wanneroo Business Expo will be held on Wednesday 15 and Thursday 16 June, featuring more than 30 local businesses.

There will be speed networking for businesses, Women in Leadership forum and the chance to find out about Facebook advertising, along with many more interesting activities.

The Expo will be held at the Wanneroo Library and Cultural Centre. Please visit wanneroobusiness.com for further details.

PEARSALL HOCKING COMMUNITY CENTRE - CALL FOR COMMUNITY GROUPS

Expressions of interest are being sought from the local community for regular bookings of the new Pearsall Hocking Community Centre.

The new centre will provide modern, first-class facilities for local community groups and assist in providing a much needed addition to the Pearsall Hocking area for community groups to meet and interact.

The \$3.3 million centre is due for completion in the coming months and it is anticipated it will be available for groups in spring 2016. The expressions of interest period commenced 30 May and will close 27 June 2016.

RAISING SCHOOL ROAD SAFETY AWARENESS

THE CITY OF WANNEROO IS REMINDING PARENTS AND CARERS TO TAKE EXTRA CARE AROUND SCHOOLS, IN A BID TO RAISE SCHOOL ROAD SAFETY AWARENESS.

Parking at schools has long been an issue, and with the added hazard of hundreds of children in the vicinity, it is important for everyone to be alert and aware of the dangers, according to Mayor Tracey Roberts.

"Dropping children off and picking them up from school can be stressful as it is a very busy time on roads and it is the responsibility of drivers to park their car legally and help ease parking issues," Mayor Roberts said. "The main concerns are speeding motorists, parking on footpaths, across driveways and on median strips, as well as disregarding parking signs."

Motorists need to adhere to the 40km/h speed limit set for school zones, and take note of any prohibition signs around schools.

WIN

School roadwise committees are also very proactive so if your school does not have one it is recommend that one be formed.

For the benefit of everyone, please remember to not block driveways or other vehicles and do not park on footpaths, children's crossings, median strips, verges without permission or within 10m of an intersection.

Parking Compliance Officers from the City of Wanneroo are happy to help with any parking and safety concerns near your school.

Please call **9405 5000** for advice. Other useful contacts are Roadwise **9213 2066** or Main Roads **9323 4111**.

MyPOST MYPOST DIGITAL MAILBOX

The City of Wanneroo is introducing an electronic delivery option to residents for their annual rates notices.

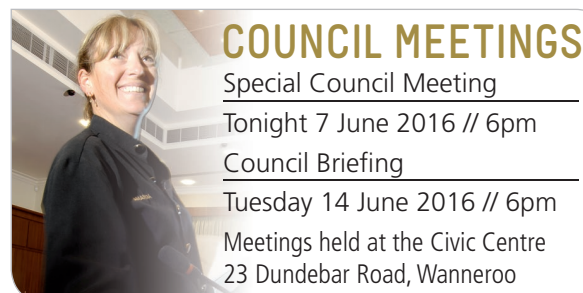

For the first time, residents will be given the option to sign up for the system and receive their rates notice thanks to a new partnership with Australia Post.

Bills and payments will be conveniently available in the same place and residents can also set up payment reminders through the system. It will also mean less paper mail which is better for the environment.
