

# NIGHT WORKS

Mitchell Freeway northbound, adjacent to Fairway Circle  
Monday 8 May to Friday 19 May 2017

Intermittent works will be undertaken between **7pm** and **5am** from **Monday 8 May** to **Friday 19 May** on **Mitchell Freeway northbound, adjacent to Fairway Circle in Connolly.**

Works must be undertaken during the night due to high day-time traffic volumes.

## IMPACTS

Lane closures and a reduced speed limit of 60km/h will be in place on Mitchell Freeway northbound.

Traffic management and signage will be in place to guide road users through the work area.

We will minimise impacts on the local community as much as possible, however, some noise may be experienced, including safety 'squawkers' (which are quieter than normal beepers) on reversing machinery.

## WORK ACTIVITIES

The night works will include the construction of permanent concrete barriers adjacent to the overhead Variable Message Board that will be installed on Mitchell Freeway northbound carriageway in the coming months.
