

# NIGHT & SUNDAY WORKS

## Joondalup Drive/Wanneroo Road Intersection

1 to 31 May 2017

Finishing and maintenance works will be undertaken between **7pm and 5am** on intermittent **nights** and **7am and 7pm** on intermittent **Sundays** in **May** at the **Joondalup Drive/Wanneroo Road** intersection.

### WORK ACTIVITIES

Works will include:

- Testing of pavements
- General maintenance and repairs
- Signage installation
- Line-marking
- Asphaltting
- Barrier installation
- Kerb installation
- Verge reinstatement

We will minimise impacts on the local community as much as possible however, some noise is expected, including safety 'squawkers' (which are quieter than normal beepers) on reversing machinery.

Works are being undertaken at night due to the high traffic volumes during the day.

### TRAFFIC IMPACT

During the works, the speed limit will be reduced to 40km/h, traffic management and lane closures will also be in place.

Movement restrictions may be required on intermittent nights. Please visit [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au) to keep up to date with closure information.
