

MAYOR'S MESSAGE

Girrawheen Hub Open Day

On 18 May, I had the pleasure of welcoming representatives from the Girrawheen community and surrounds, community service providers and government agency representatives to the Girrawheen Hub to view the welcoming new space, have their say on priorities and help decide the activities and services the hub may provide.

The primary aim of the hub is to help job seekers gain skills to re-enter the workforce and assist those wanting a change of career or to start a new business, with a focus on people from diverse and multicultural backgrounds.

The hub is located at 11 Patrick Court, Girrawheen and will be open to the public from 1 July 2017.

National Reconciliation Week

National Reconciliation Week 2017

Mayor Tracey Roberts with Paul Osei Kofi and Colin Depeiza from Akwaaba at the Girrawheen Hub Open Day.

(27 May to 3 June) marked two very significant anniversaries: 50 years since the 1967 referendum and 25 years since the historic Mabo decision.

To celebrate Aboriginal and Torres Strait Islander culture, the City of Wanneroo and Bindi Bindi Dreaming held a free walk at Lake Joondalup.

Dennis Simmons performed a Welcome to Country and Smoking

Ceremony before walkers enjoyed a guided tour of Scenic Park, learning about the richly diverse culture of the local Aboriginal people and area.

Free Noongar language classes were also held in Yanchep, Banksia Grove and Girrawheen.

City of Wanneroo Community Art Awards Exhibition

We are fortunate to have some very talented artists in our City and

surrounding areas; I am continually amazed by the quality and diversity of Community Arts Awards entries.

This year we had 230 entries, including 90 from City residents, consisting of 156 paintings, 52 works on paper and 22 sculptures.

Please try and visit the exhibition at the Wanneroo Library and Cultural Centre, 3 Rocca Way, Wanneroo.

Entry is free and the beautiful artwork is on display until Saturday 17 June; and whilst there, don't forget to vote in the People's Choice Award.

Curtin Growth Ignition Scholarships

There is still time to apply for one of two fully funded scholarships being offered for City businesses and residents with an idea or innovation ready to turn into a high growth business.

Applications close tomorrow.

For more information, please visit campaign.curtin.edu.au/growth-ignition-business-training

Mayor Tracey Roberts JP

Community invited to winter planting events

Natural areas in the City of Wanneroo will be boosted with thousands of new plants over the coming months.

Residents can join City of Wanneroo conservation staff and their neighbours in planting for a greener future.

The City's annual winter Community Planting Events kick off in mid-June, with local residents invited to come

along and help rejuvenate bushland, foreshores and dunes across the City.

The winter plantings have a successful survival rate, even though rainfall has reduced by 20 per cent over the past decade.

The species being planted complement the existing vegetation in each site, including Banksia/Jarrah woodland species, coastal heath/

shrubland and grassland.

Residents can help rehabilitate the City's natural areas while learning about their local conservation park.

Please bring gloves, water bottle and wear sturdy closed in shoes. Morning tea will be provided.

Registration is essential, please contact 9405 5000.

Ridgewood Park, Ridgewood
Sunday 18 June // 9am-11am

Koondoola Bushland, Koondoola
Sunday 9 July // 9am-11am
Held in conjunction with Friends of Koondoola Regional Bushland
