Administration fees are taken from the total fee paid on enrolment (minus lessons attended or held). Refunds for the remaining lessons are calculated from the date the Swim School receives the Cancellation Request form, not backdated.

If the unforeseen event of Wanneroo Aquamotion having to cancel a class, the Swim School will offer a Family Pass or Credit for the following term.

Wanneroo Aquamotion does not conduct lessons on Public Holidays. Term fees are adjusted accordingly.

CHANGES TO CLASSES AND BOOKINGS

All classes have a minimum number of participants required to conduct a class. If you enrol in a class that does not achieve the minimum enrolment by the third lesson, you will be offered an alternative class. If the alternative class is not suitable we will provide you with a full refund.

Students can sometimes be enrolled into an inappropriate level. This means that students will sometimes need to move to another class. If your lesson time or day is unsuitable due to a change of circumstances, you may apply to the Swim School to change class for the remainder of the term, if vacancies are available. No changes will be permitted after the first four weeks of the term.

PARENTAL SUPERVISION & SPECTATORS

Parents/guardians of children under 10 years must remain in the centre during their child's lesson. A parent/guardian over 16 years must collect children at the conclusion of every lesson. Children under five years who swim before and/or after their lessons must be accompanied in the water and within reach at all times, by a responsible person over 16 years. On swim lesson days, green wristbands are available from Customer Service or the Swim School for children under five years to identify the parent swimmer as a Swim School parent and therefore being exempt of the normal adult swim entry fee to accompany their child. Children are not permitted in the designated Swim School areas until their Swim Teacher commences their class.

The Centre does not charge a spectator fee for Swim School customers, however we do ask that you advise us of the number of spectators accompanying you at Customer Service before entering.

Photography is not permitted during class times. If you do wish to take photos of your child in the pool, please speak with a coordinator to arrange an alternative location in the pool to do so.

COMMUNICABLE DISEASES & HYGIENE

A person suffering from any communicable diseases will be excluded from lessons for the safety and well being of other participants and teachers. Please refrain from bringing your child if they are suffering from any contagious condition. Examples include: nervous system infections, ear infections, eye infections, cold sores, chicken pox, Hand, Foot and Mouth Disease, head lice, measles, mumps, diarrhoea and/or vomiting, coughs, plantar warts, infectious runny noses (green discharge), open sores, skin infections, rashes and foot infections. If unsure, please check with your medical practitioner.

The WA Health Act states that all children that normally wear a nappy are required to wear some form of aqua nappy if swimming in a public facility. Please ensure that your children are suitable attired if they fall into this category for the comfort and safety of all patrons otherwise your children will be required to exit the pool. We ask that all children under 3 years of age wear a swim nappy whilst participating in our classes.

RE-ENROLMENTS & FAMILY DISCOUNTS

Currently enrolled participants are given priority enrolment for the following term. PLEASE NOTE THAT IT IS YOUR RESPONSIBILITY TO RE-ENROL AND THE SWIM SCHOOL DOES NOT AUTOMATICALLY CARRY BOOKINGS FROM TERM TO TERM. Re-enrolments need to be submitted in the final three weeks of the term. The re-enrolment process is complex, with students moving levels and/or times as well as staff changes from term to term. Every possible attempt is made to accommodate your re-enrolment preferences however this cannot always be guaranteed. Our Customer Service team do their best to help and any aggressive or abusive behaviour is not accepted and in the case of such, you will be asked to leave.

Swim School offers a family discount of 10% for the second child, 15% for the third child and 20% for the fourth child enrolled in mainstream swim lessons during the same term/program. Discounts will apply to enrolments of lesser value. Discounts are also offered for participants enrolled in a second class per week.

ENTRY SWIPE CARDS

THE ENTRY SWIPE CARD ISSUED AT YOUR INITIAL ENROLMENT IS VALID FOR LIFE. REPLACEMENT CARDS WILL INCUR A \$10.00 FEE. Entry cards must be scanned at the Reception prior to every lesson. Refusal of entry may occur for non-presentation of cards.

As our Customer Service team are very busy, please use consideration and do not expect to be manually entered each week as this places an unnecessary work load on our staff.
