

## MAYOR'S MESSAGE

March has been a month of events and celebrations across our City. On Sunday, 11 March we officially opened the new Yanchep Surf Life Saving Club and multipurpose room extension at Ridgewood Park.

The newly constructed Yanchep Surf Life Saving Club provides a great opportunity for the Club to become a hub for the local community, giving people of all ages and backgrounds the chance to participate in fitness and competition; develop new skills or simply enjoy the social aspects of being a Club member. I would like to especially thank Lotterywest and the various land developers who helped fund this project for their valuable contribution.

The addition of the 100m<sup>2</sup> multipurpose room, including kitchen, to the existing

facilities at Ridgewood Park provides local sporting clubs and community groups with a great space to meet and hold their events.

On Saturday, 17 March the City celebrated the official opening of the Girrawheen Hub. This great community resource has a strong focus on supporting individuals and community groups to gain employment readiness skills, supporting social enterprise, and providing micro-economic and related social supports. A range of facilities and spaces can be hired at the Hub; for more information search 'Girrawheen' at [wanneroo.wa.gov.au](http://wanneroo.wa.gov.au)

Yanchep Active Open Space was officially opened on Saturday, 24 March with a community fun day. Residents in our most northern suburbs have been looking forward to having this incredible sporting complex for some time. I feel very proud that

Hundreds of community members attended the official opening of the Yanchep Surf Life Saving Club.

we have delivered another first-class community facility that will be used for years to come.

This month also featured Retro Rewind at Yanchep National Park on March 10 and Global Beats and Eats at Paloma Park in Marangaroo on March 17. Both events saw record numbers of residents taking part in the great activities, food and music on offer. Thank you to all the City's

teams involved in delivering another stellar season of events for our residents to enjoy.

With the Easter long weekend approaching, a time that is traditionally one of the worst on our State's roads, I would like to remind all our residents to take regular breaks when driving and be safe and vigilant on our roads.

**Mayor Tracey Roberts JP**

Yanchep Districts Junior Football Club is one of the many sports clubs to benefit from the completion of Yanchep Active Open Space.

## Yanchep Active Open Space

The sound of whistles can be heard, the smell of turf is in the air and the floodlights have been switched on - the eagerly awaited Yanchep Active Open Space is now ready to be enjoyed.

City of Wanneroo Mayor Tracey Roberts officially opened the \$8.3 million facility with a community celebration on Saturday, 24 March, with sports activities, face painting and sausage sizzle at the free event.

"Residents in our most northern suburbs have been looking forward to having this incredible sporting complex for some time. We acknowledge the assistance provided by Yanchep Beach Joint Venture in

facilitating the early provision of a site for this much needed facility, and development of the access road," Mayor Roberts said.

"With support from the Yanchep/Two Rocks developers, I feel very proud that this wonderful community space can now be enjoyed by a variety of different sporting clubs, catering for both summer and winter sports."

Yanchep Redhawks Football Club and Yanchep District Junior Football Club are already training at the open space, and the facility will also be home to Yanchep United Soccer Club, Yanchep Netball Club, Yanchep Little Athletics Club and Yanchep Redhawks Cricket Club.

Yanchep Active Open Space includes two multi-purpose ovals catering for Australian rules football, soccer, cricket, rugby and athletics; two multi-purpose hardcourts for netball, basketball and tennis; cricket nets; long jump and discus pits; and floodlighting.

The playground is expected to be completed in April and the open space also has perimeter fencing, pathways, passive recreation areas and car parks.

The sports amenities building has six change-rooms, five storerooms, first-aid room, umpires room, kiosk, multi-purpose room, meeting room and external tiered seating for spectators.

### Easter public notices

#### Holiday closures

The City's Civic Centre will be closed on Good Friday and Easter Monday, reopening Tuesday, 3 April 2018.

Visit [wanneroo.wa.gov.au](http://wanneroo.wa.gov.au) for further details on the City's other facilities, including libraries and Wanneroo Aquamation.

#### Waste collections

Bins will not be collected on Good Friday, 30 March. Collections will occur on Saturday 31 March instead. All other waste collections, including Easter Monday, 2 April, will run as normal.

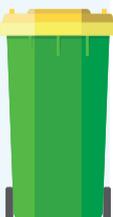

### Food trucks near you

#### Delicious cuisines
