Building Regulations 2012, Division 3, Regulation 61

This application is to be used where the owner of a property is seeking to install battery powered smoke alarms in lieu of the hardwired smoke alarms required under Division 3 of the *Building Regulations 2012*.

Please note that in accordance with advice from the Building Commission, approval for a battery powered smoke alarm is not required from the local government in the following circumstances:

- There is no hidden space to run electrical wiring to install hard wired smoke alarms and there is no appropriate alternative solution.
- There is no mains power to the dwelling.

Property where alarms are to be installed					
Property Street Address	Unit No.	Street No.	Lot No.	Street Name	
	Suburb			State	Postcode
