5 - 16 years	Level 1

What if my child has swum before?

If your child has had previous swimming experience and you think they are ready to commence in a level other than a beginner class, please follow the flowchart below to determine if they will require an assessment.

Assessments can be booked by calling Wanneroo Aquamotion on 9405 5999.

Entry to levels other than age-based beginning levels are by assessment only.
