Important Information

Documentation required to be submitted with this form:

Along with this application a Noise Management Plan is required to be submitted. This plan must detail information pertaining to the following;

- Dates and times of intended works
- Need for the work to be done out of hours
- Types of activity which could be noisy
- Types of equipment to be used (equipment should be the quietest reasonably available)
- Predictions of noise levels
- The control measures for noise and vibration to be implemented
- Procedures or activities for monitoring of noise and vibration
- Complaint response procedure to be adopted
- Method of providing notification to surrounding properties likely to be affected by noise

Legislation Requirements:

Environmental Protection (Noise) Regulations 1997 available from the State Law Publisher at www.slp.wa.gov.au.
