

# FOOD TRUCK PROGRAM APPROVED LOCATIONS 2022 - 2024

## Food Truck Program 2022 - 2024

The City of Wanneroo Food Truck Program support events that are fun, safe and healthy events for residents and community members to enjoy. These events are encouraged across parks, reserves and main street precincts to activate local places and provide a unique, healthy food offering.

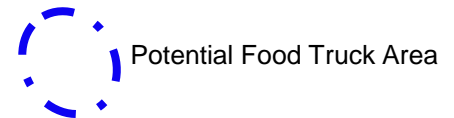

The Program was initially developed in 2016 to support local residents come together in their streets. The requirement for a Development Application as well as fees associated with utilising open space were prohibitive and meant these types of regular events could not occur without significant investment from the community (to prepare and pay for the DA, as well as on going costs of POS hire fees).

The approved locations Food Truck Coordinators can submit EOI's for are as follows:

- Butterworth Park
- Kingsbridge Park
- Koondoola Park
- Rotary Park
- Yanchep Surf Lifesaving Club
- Wanneroo Showgrounds
- Warradale Park
- Wanneroo Town Centre\*

(\* denotes further consultation required)
