

Great Recycling Challenge

Recycle right and

More than **\$4,000**
worth of prizes!

* Terms and conditions apply.

Win*

What's happening?

Our community waste educators are conducting simple visual checks of kerbside waste, recycling and garden organics bins and leaving feedback on tags to help you recycle right.

Why join in?

By recycling right, you'll help the City reduce what is sent to landfill, turn waste into valuable resources, and protect our community and environment.

You'll also go in the draw to win:

1 of 20 x \$100 Mastercard gift cards drawn daily

1 of 5 x \$410 cash prizes drawn at the end of the challenge

Remember, your bins need to be placed out by 6am on your collection day.

What more can I do?

Be proud of your good recycling habits and share tips on how your household recycles right using the hashtag **#GreatRecyclingChallenge2022** on Facebook.
