

Get set for a dog's day out this Sunday

The City of Wanneroo's ultimate pooch extravaganza, Dog's Breakfast is back for another year. Kingsway Regional Sporting Complex will be a flurry of four-legged furry friends this Sunday, 6 October from 9am-1pm. It is a fantastic event with everything from free vet checks to

fun competitions, and a range of exhibitors to visit. Get your furry friend looking their best with the washing and grooming services on offer, then strike a pose in the fur-friendly photo booth. Give your dog a run through the agility course, or get a caricature sketched for a lasting keepsake.

City of Wanneroo Rangers will be on site to answer any queries, and you will be able to renew your dog registration with the City's friendly Customer Service Centre team (EFTPOS only).

There will also be a range of food on offer for humans and canines alike!

Mayor Tracey Roberts said this is one of her favourite events on the City of Wanneroo events calendar.

"There's no doubt Dog's Breakfast is a great day out, and I can't wait to see families enjoying time with their much loved pooches," Mayor Tracey Roberts said.

"This is a free event that truly has something for the entire family - including the dogs!"

Please note that we encourage you to come along with your canine pals, but dogs must be kept on a lead and under control at all times during the event. And naturally, all other pets - including cats - should be left safe and sound at home.

Act-Belong-Commit during Mental Health Week

This Sunday 6 October is the start of Mental Health Week. It is not only a time to raise awareness of mental illness and reduce stigma, it is also a time to reflect on what keeps us mentally healthy.

This year's theme is 'Mental health starts where we live, learn, work and play' and the City of Wanneroo has many events and activities that may interest residents looking to become more involved in their community.

You might like to step back in time at Buckingham House's open day on Sunday 13 October; or join in some African drumming on 26 October at the Alkimos pop-up library.

In November you could discover more about our wonderful land with the guided Yaberoo Budjara walking tour in Yanchep.

As summer approaches simply getting out and enjoying some of the City of Wanneroo's many parks and beaches can be a wonderful boost to your mental health.

More information about mental health can be found at actbelongcommit.org.au
