

MAYOR'S MESSAGE

Mayor Tracey Roberts JP

For two decades the Mayor's Christmas Appeal has been helping local families share a brighter Christmas by providing hampers of goods donated by the community.

Traditionally, the Appeal has received a remarkable response, with many local schools, community groups, businesses and residents donating generously.

The City is once again calling for donations of non-perishable food and toys to help those in need and doing it tough.

Recently I visited Ashdale Secondary College where students organised a donation drive for the Appeal.

It was very pleasing to see young members of our community volunteering their time to help those less fortunate.

If you would like to help, please donate by Friday 22 November 2019.

There are donation bins throughout the City and a full list of collection sites can be found at wanneroo.wa.gov.au

Cash donations can also be made at the City's Civic Centre, 23 Dundobar Road, Wanneroo.

Cheques can be posted to City of Wanneroo, Locked Bag 1, Wanneroo WA 6946.

With Christmas and holidays fast approaching, it's a timely reminder that health and safety, particularly road safety, should be front of mind.

The City is supporting RoadWise's 2019 Road Ribbon for Road Safety campaign which will run from this Sunday to 3 January 2020.

You can help raise awareness about road safety by wearing a free Road Ribbon, available from the Wanneroo Civic Centre and the City's libraries.

I urge everyone to take extra care on our roads and stay safe over the festive season.

Christmas Appeal - Mayor Tracey Roberts with Ashdale Secondary Students.

For more information about the Road Ribbon for Road Safety campaign please visit roadwise.asn.au

Small businesses are vital to the City of Wanneroo's economy. Recently the Small Business Development Corporation asked the community to 'Make a Small Change' by buying from local businesses.

Some of the ways you can support local small businesses are by using

local professionals and tradespeople, recommending a small business to friends and family, and sharing the social media posts of small businesses to broaden their reach.

Consider buying your fresh produce directly from some of our local farmers markets and orchards.

More information about local produce is available at wanneroo.wa.gov.au

Making Wanneroo Home - stories of migration

Wanneroo Library and Cultural Centre will come alive from 18 November with a collection of stories of migration to the Wanneroo region.

Judy Rogers: Self Portrait 6064.

A new permanent exhibit at the Wanneroo Regional Museum will explore some significant migrant journeys from European settlement to today's new arrivals.

Mayor Tracey Roberts said the exhibit covers a range of migrant experiences from the challenges of language barriers and social isolation, to a celebration of the different cultural elements that unite all residents within the City of Wanneroo.

"This is an interesting and thought-provoking exhibit and I encourage people to see how migrants have helped make the City the vibrant and prosperous place it is today."

The museum exhibit will be paired with Home, an exhibition upstairs

in the Wanneroo Gallery, featuring artworks and objects that reflect on the experience of migration and the act of making a home.

Artist Judy Rogers will be displaying three pieces in the exhibition including a mixed media self-portrait.

"I migrated to Western Australia from Budapest 23 years ago. The title of my self-portrait is 6064 which is the postcode of my suburb, Alexander Heights," said Ms Rogers.

"In the painting there is a ring of light surrounding me like a halo, this represents my suburb."

For more information about Home and other exhibitions visit our website wanneroo.wa.gov.au
