

# Public Community Event Public Building Application Package

*Health (Miscellaneous Provisions) Act 1911, Health (Public Buildings)  
Regulations 1992*

Thank you for your interest in hosting a public community event within the City of Wanneroo.

The overarching legislation for event regulation within Western Australia is the Health (Miscellaneous Provisions) Act 1911 and the Health (Public Building) Regulations 1992

Hosting a public community event is a complex process that often requires compliance with varying pieces of legislation. It is the responsibility of the event organiser to ensure their event adheres to the applicable legislative requirements and obtains the necessary approvals.

The general intent of Part VI of the Act is to assist in the protection of the health, safety and amenity of persons in and about places where, generally, large numbers of the public gather.

The statutory definition of a “public building” under this legislation this includes an assembly of people in a place or a part of place which captures public community events.

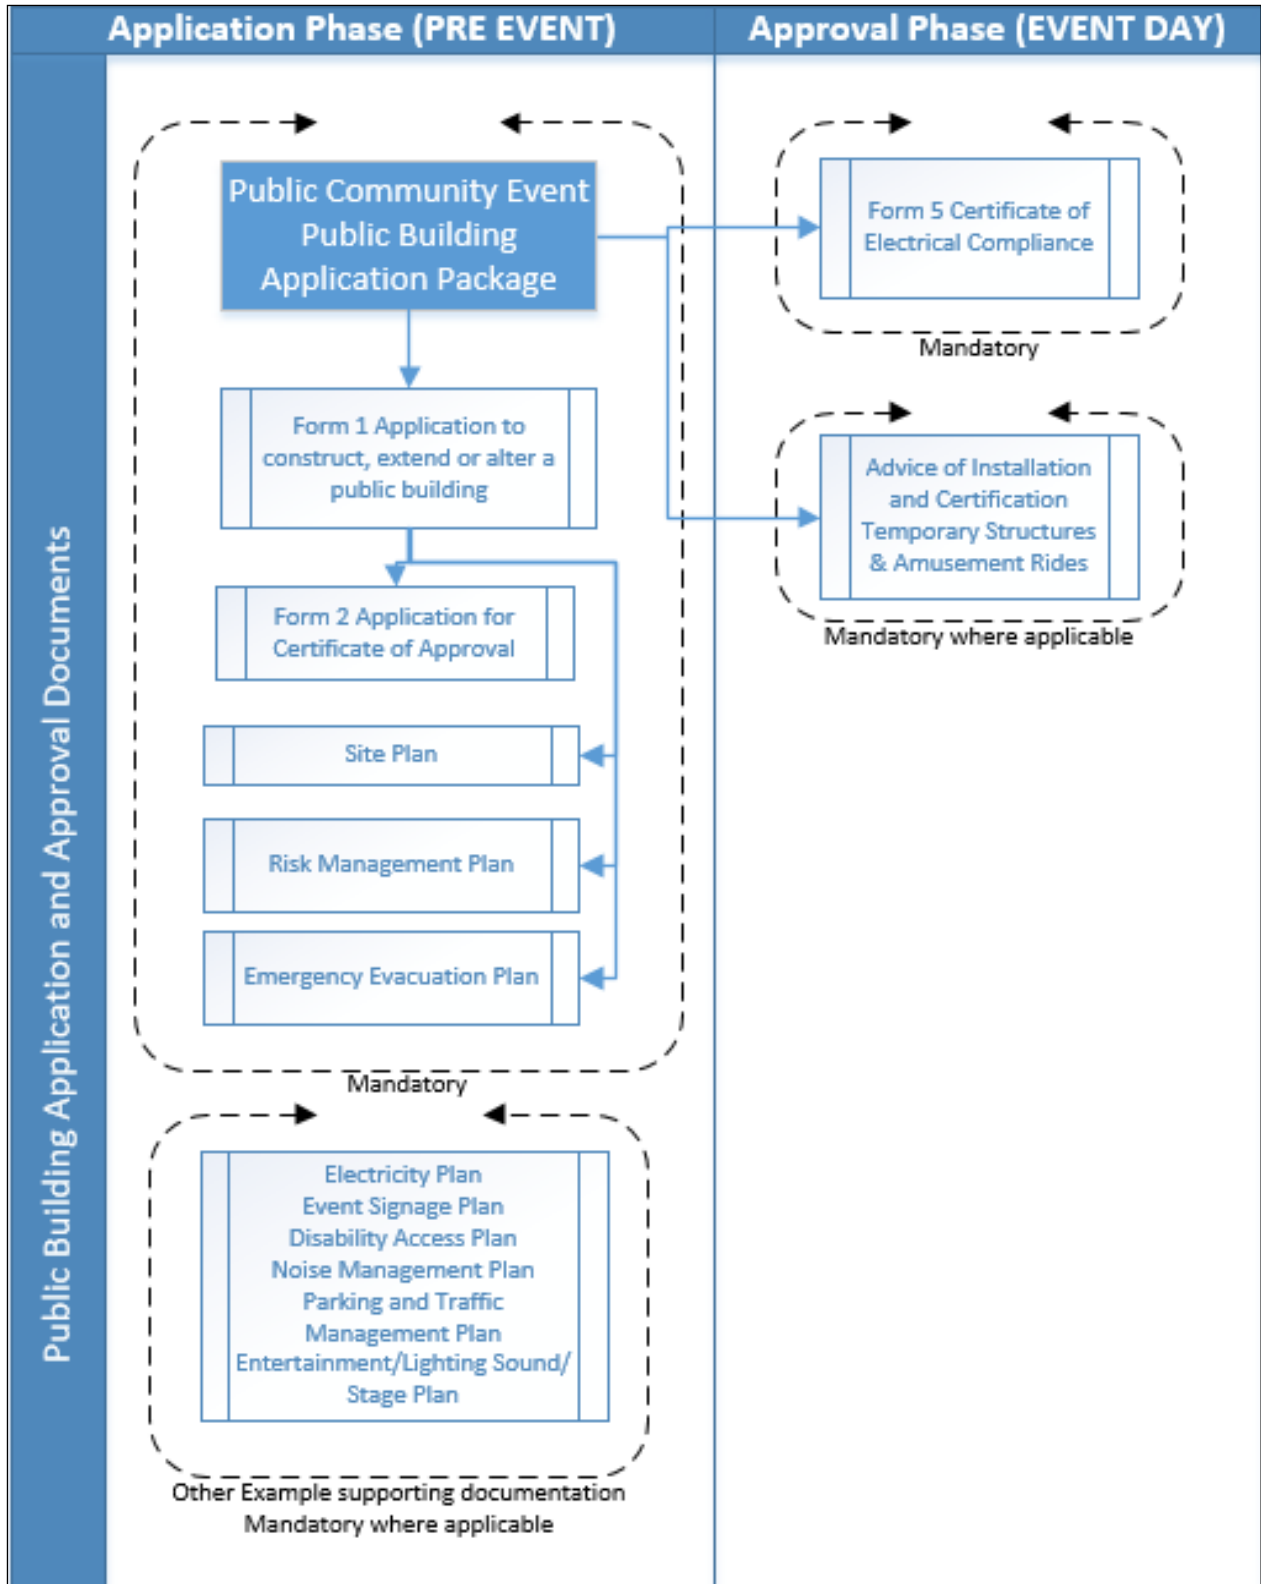

The forms within this application package are prescribed by legislation and must be completed by the event organiser and submitted along with the Event Application.

For further information please refer to the Public Community Events Guidelines available at [www.wanneroo.wa.gov.au](http://www.wanneroo.wa.gov.au)
