PERTH CITY

A cosmopolitan city surrounded by the natural beauty of the Swan River and Kings Park.

TOP EXPERIENCES

- > Visit Kings Park for the best views of the city and river
- > Head to Barrack Square for a cruise on the Swan River
- > Visit Northbridge for the great food, live music and culture

GETTING THERE

- > Located 20 minutes' drive west from the Perth Airport
- > Access to other regions by car, train, cruise or day tour

While Perth may be touted as one of the world's most isolated cities, there's more to the west coast capital than great sunshine and a sparkling river.

THE SWAN RIVER

On the city's doorstep lies the natural beauty of the Swan River. Dual-use walking and cycling paths make it possible to walk or ride around the river, or you can take a Segway tour to enjoy the foreshore's natural beauty. There are many grassy areas to have a picnic and for water sport enthusiasts, sailing, windsurfing and kayaking are popular choices, with hire facilities located on the riverfront.

KINGS PARK AND BOTANIC GARDENS

A walk around Kings Park is a perfect introduction to Perth's natural beauty. The park features 400 hectares of stunning natural bushland, cultivated gardens and grand lookouts, making it a popular place for taking photos. Picnic or stroll the bushland, walk the Lotterywest Federation Walkway or attend one of the summer outdoor concerts under the stars.

The jetties at Barrack Square are the departure point for river cruises to Fremantle and Swan Valley and the ferry transfers to Rottnest Island also depart from here. It's here where you can jump on a free bus to other attractions of the

city including the Art Gallery and The Perth Mint - home to the world's greatest collection of gold bars.

Shopping is also one of the city's attractions with more than 900 shops to browse. You can buy Aboriginal art, a gift from a local designer or something for yourself at a department store. Followers of fashion should head to the King Street precinct where Gucci, Louis Vuitton and Tiffany & Co. rub shoulders with west-end designer jewellery houses showcasing Western Australian diamonds, pearls and gold.

NORTHBRIDGE

Perth's city laneways have given way to the dining and small bar scene and for a kaleidoscope of foods, wines, arts, culture and vibrant night life, head direct to Northbridge. This cultural hub, just a five minute walk from the central business district is renowned for its boutique shops, cafés, restaurants and entertainment venues.

Northbridge is also home to Perth's Cultural Centre which houses the Art Gallery of Western Australia, the Perth Institute of Contemporary Art, The Blue Room Theatre and the State Theatre Centre of Western Australia.

NEW PRECINCTS OF PERTH

Situated on the foreshore and reconnecting the river to the city, Elizabeth Quay is a great place for children to splash and play in the nautical playground, and art-lovers will delight in the 29-metre tall Spanda sculpture, which links the river, land and sky to welcome visitors to the Quay.

From Elizabeth Quay, take a short walk towards Northbridge to Yagan Square, now a hub of activity both day and night with cafes, bars and events.

And across the Swan River to the east of the city, visit Optus Stadium, a multi-purpose venue for sports and entertainment events, offering behind the scenes stadium tours plus great places to eat and play.

FREMANTLE

FREMANTLE

A maritime city with spirit and soul, that is vibrant, colourful, fun and rich with culture and history.

TOP EXPERIENCES

- > Explore the markets or shop for local fashions and gifts
- > Enjoy fresh fish & chips or local flavours at the many restaurants and cafés
- > Visit the many museums, art galleries & historical attractions

GETTING THERE

- > Located 35 minutes' drive from Perth City. Visit by cruise from Perth City, train, car or day tour

The combination of world-class attractions with microbreweries, waterside seafood eateries, heritage pubs, cafés, markets and boutique shopping always makes a visit to the historical port city entertaining and interesting.

'Freo', as the locals call it, is 20 kilometres from Perth City and easy to get to by train or car. Hop on a ferry from Barrack Street for a leisurely cruise along the Swan River to Fremantle and once there, explore the city by foot, tram tour, or with the free 'CAT' Bus. It's also the gateway to Rottnest Island, just a 25 minute ferry ride from Victoria Quay.

HERITAGE AND CULTURE

Pick up a free map from the Visitor Centre before hitting the heritage trail. The streetscape features 150 buildings classified by the National Trust including Western Australia's first public building and gaol built in 1831, the uniquely shaped Round House. Fremantle's West End is widely recognised as the best preserved example of a 19th century port streetscape in the world.

You can also explore the most intact convict establishment in the southern hemisphere and the first built environment in Western Australia to be placed on the World Heritage List – Fremantle Prison. Built by convicts in the 1850's the Prison remained a place of incarceration until 1991. Daily tours of the Prison and its tunnels are fascinating and worth joining.

The city's architecture takes a modern leap with the Western Australian Maritime Museum. Perched as an entrance statement to the port, the design resembles the hull of a boat, and its contents include the nations' yachting pride and joy, the Australia II, winner of the 1983 America's Cup. Continue the discovery in the WA Shipwreck Museum and the Army Museum of WA.

ENTERTAINMENT AND FESTIVALS

Behind Fremantle's historic façade is a contemporary city with a penchant for the arts, culture and a year round festival calendar. As Perth's top entertainment precinct with great nightlife and live music scene, they celebrate street arts with Australia's largest street art festival each Easter and Fremantle Festival: 10 Nights in Port, a 10-day multi-genre arts festivals in the middle of winter.

FOOD AND DRINK

Don't miss the vibrant Fremantle Markets, in operation for more than 100 years and open Friday through to Sunday for the freshest of fruits and veg, as well as an eclectic mix of local artisans selling their wares, handmade treats, street food and buskers.

The iconic Cappuccino Strip, influenced by Italian immigrants, is a must to soak in Freo's chilled-out vibe. As is the Fremantle Fishing Boat Harbour, the go-to place for fresh local seafood and alongside Bathers Beach House, Perth's only beachside restaurant and bar with its own licensed beach.

PLACES TO STAY

Fremantle is more than a day trip, stay a night or two at a wide variety of accommodation including friendly budget backpacker-style, boutique bed and breakfasts, self-catering apartments, caravan and holiday parks, luxurious hotels and old favourites donning recent refurbishments to bring their past glory to present.

ROTTNEST ISLAND

TOP EXPERIENCES

- > Hire a bike for a day's ride around the island
- > Meet the locals and say hi to a quokka, dolphin or seal
- > Swim and snorkel the underwater snorkel trails

GETTING THERE

- > Ferries depart from Perth, Fremantle and Rottnest Island regularly. Air taxi or helicopter to the island or visit on a seaplane day tour

Our beautiful island getaway is home to some of the finest beaches and bays in the world.

Situated only 19 kilometres off the coast of Perth lies the holiday island of Rottnest. There's a casual atmosphere, picturesque scenery, plenty of marine life, beaches and bays, and is considered Perth's own island getaway.

BEAUTIFUL BEACHES AND BAYS

With 63 of the prettiest beaches you're likely to see anywhere, 20 beautiful bays and many coral reefs and wrecks, Rottnest Island is home to some of the best swimming spots, snorkel trails, diving and surf breaks in the world. There are over 135 species of tropical fish and 25 species of coral, making heading below the surface a truly worthwhile experience.

On dry land, you'll meet the cutest mini marsupial, found only in Western Australia, the world famous quokka. Taking a quokka selfie is one of the main highlights for visitors to the island.

You'll also find many unique plant and animal species that make up the A-Class Reserve, easily explored along the excellent bike and walk trails that criss-cross the island.

GETTING TO ROTTNEST

Ferries depart regularly from Perth's Barrack Street Jetty, Fremantle and Hillarys Boat Harbour, or there's the option to get there by air with a seaplane, air taxi or helicopter. You can even arrive in your own boat.

'Rotto' as the locals love to call it, has virtually no cars making bicycles the transport of choice. Just 11

kilometres long and 4.5 kilometres wide, cycling is easy and the terrain is relatively flat. Hire a bike when you book the ferry, bring your own, or hire one on arrival.

Use the hop-on hop-off bus service while on the island, it runs daily and takes you to many of the secluded bays and secret hideaways located around the island.

And if you are unsure whether to bike or ride, opt for the best of both worlds by choosing the 'Bike and Bus' option.

Tours by bike, boat or Segway offer insightful experiences, from wildlife encounters with quokkas, seals, ospreys and whales, to history and cultural tours bringing Rottnest's colourful history vividly to life.

DISCOVER MORE

Discover the Island's past and the important role it played in Australia's World War II military defence system as you explore underground tunnels, the lighthouse, Oliver Hill, and Bickley Battery and pass by some of the early colonial cottages in the settlement.

Enjoy a meal at several dining establishments in the Thomson Bay settlement or more relaxed dining at Geordie Bay and for a short break away, choose from a selection of camp sites, cabins, villas, serviced apartments or hotel rooms.

The park is home to one of Western Australia's largest koala colonies, as well as populations of friendly kangaroos and thousands of native birds. If you're up for a bit of adventure, you can also take on a trees ropes course or a cave tour, being one of the six major cave regions in WA with more than 600 caves documented in the park.

MOORE RIVER REGION

Further north and known as the Moore River Region, the coast from Two Rocks to Lancelin is well known for sand dunes, sand boarding, four-wheel driving, surfing, windsurfing and kite surfing. Sheltered fishing spots, reefs and wrecks are also perfect for keen anglers, snorkellers and divers. Experience wildlife encounters with dolphins, penguins and seals in this nature lover's playground.

SHOALWATER ISLANDS MARINE PARK

Rockingham's pristine islands and reefs of the Shoalwater Islands Marine Park offer incredible encounters, from penguins and dolphins to dive wrecks and snorkel trails. The safe pristine beaches surrounding the area are the perfect playgrounds for fishing, surfing, kite boarding, stand up paddle boarding, kayaking and sailing.

WILD DOLPHIN ENCOUNTERS

Rockingham faces the sheltered waters of Cockburn Sound with Garden Island, Penguin Island and Seal Island close by. Pods of wild and playful dolphins regularly frequent these coastal waters and there's no better place than here for an unforgettable swim with them in their natural habitat.

Alternatively, stay dry and watch these playful creatures from the comfort of the viewing platform on the boat as they ride the bow beneath your feet. Seeing these fascinating creatures in their own environment is an extraordinary experience not to be missed.

VISIT THE LITTLE PENGUINS

Their neighbours on Penguin Island are just as cute and only a short ferry ride away. Here, you'll get to meet some of the island's 1,200 little penguins who make up the largest colony on Australia's west coast. At the interpretive centre, you can watch penguin feeding daily and learn more via expert commentary.

TOP EXPERIENCES

From here, you can jump aboard the glass-bottom boat for a 45-minute cruise of nearby Seal Island to see the rare Australian sea lions.

DIVING AND SNORKELLING

Back on the mainland coast, keen divers should head to Point Peron, a shallow shore dive with great visibility. Divers can also explore the Bell Park Wreck Trail, a popular, easy access shore dive. More experienced divers can head to the West Coast Dive Park that is rich in dive wrecks and a colourful world of fish and coral. The protected Rockingham Beach offers gentle conditions, making it ideal for families as well as a safe snorkelling environment.

On land, there are first-class championship golf courses, wineries nearby with cellar door sampling, art trails, historical sights, and excellent recreational fishing. For shopping and a choice of eateries, head to Rockingham Centre where you'll find a good selection of restaurants, cafés and bars. Stretching from the coast to the rugged terrain of the Darling Scarp, Mandurah and the Peel Region is a natural adventure playground offering a range of activities from exploring vast waterways and national parks, to visiting wineries and bush walking through vast jarrah forests.

MANDURAH

As Western Australia's largest regional city, Mandurah is graced with endless stretches of pristine coastline, tree lined walkways, grassed picnic areas, plenty of attractions and safe swimming beaches. There are plenty of accommodation options to choose from and an excellent range of restaurants located along the foreshore and the Mandurah Boardwalk. It's considered the ideal holiday destination for the whole family.

Covering an area twice the size of Sydney Harbour and considered a favourite playground for boating, fishing and wildlife watching, the Peel Inlet-Harvey Estuary provides endless water-based activities. No trip to Mandurah would be complete without a boat cruise through the canal, spotting the wild bottlenose dolphins that live in these waters.

Just out of Mandurah is the Yalgorup National Park which includes 10 coastal lakes and wetlands. It's home to thousands of migrating birds and Lake Clifton, which has the longest thrombolite reef in the Southern Hemisphere.

Mandurah Visitor Centre, 75 Mandurah Terrace, Mandurah +61 8 9550 3999

Dwellingup History & Visitor Information Centre, Marrinup Street, Dwellingup +61 8 9538 1108

THE MURRAY REGION

This area stretches from North and South Yunderup, Ravenswood and Dwellingup to the Darling Scarp, with historic Pinjarra at its heart. It offers camping, natural attractions, heritage sites and adventure activities including a tree-top obstacle course, skydiving, canoeing, white-water rafting and mountain-biking. There's also the opportunity for some relaxation on a house boat on the tranquil Murray River.

WAROONA

From there, travel inland to fertile farmlands and jarrah forests and you'll come across the township of Waroona. It's well known for Waroona Dam and Lake Navarino where the adventurers come from far and wide to waterski, canoe and fish.

BODDINGTON

This area is popular for camping and fishing, hiking and bird-watching and copper and gold mines. The well-known Boddington Gold Mine, Australia's largest gold mine and one of the world's longest bauxite conveyors, Worsley Bauxite Mine are both discreetly hidden in the surrounding hills.

SWAN VALLEY

Rustic charm, time-honoured recipes and generations of tradition and passion is sown into the land.

The Swan Valley is WA's oldest wine growing region, recently celebrating over 180 years of winemaking. It's known as a food lover's haven, a wine connoisseur's delight and a naturalist's dream. Home to an ever-growing list of winemakers, brewers, chefs and artists of all kinds, the region is best explored by day tour or one of the many self-drive trails.

It's not all about wine either; the valley is also home to a number of distilleries, cideries, boutique breweries and a meadery. Plus with its wide open spaces and laidback rural charm, the Swan Valley is one of the best places to get up close and personal with Australia's adorable native animals.

FRESH PRODUCE

The region is packed with fresh seasonal produce – think plump figs, sweet melons, juicy strawberries, flavoursome asparagus and vine-ripened tomatoes. And if you're exploring around December, take the opportunity to sample some of the region's crisp and juicy table grapes which have been grown in the Valley since 1829.

GOURMET WARES

There countless restaurants and cafés offering everything from fine dining to casual pub food and traditional high tea. Find extra virgin olive oils, marinated olives, dried fruit, pickles and preserves, handmade chocolate, fudge, truffles, ice cream, specialty cheeses, honey and nougat and the list goes on.

FOOD AND WINE TRAILS

Why not explore the valley via a mouth-watering trail, choose the Cider and Ale Trail, WA's first or the Sweet Temptations

TOP EXPERIENCES

- > Follow a food or beverage trail and taste local, gourmet goodies
- > Join masterclasses, festivals, outdoor concerts and summer markets
- > Sample wines, trial beers and find your favourite ciders and mead

GETTING THERE

- > Located 25 minutes' drive from Perth City, visit by car, day tour, river cruise or take the hop-on hop-off bus service from Guildford Train Station

Trail. Beer lovers will be pleased to know that there is more to the region than just wine. The Swan Valley has six boutique beer outlets and a dedicated cidery; many offer a wide selection of beer to tempt the palate with hearty, beer-friendly fare to match.

As much a part of the experience as wineries and food, talented local artisans regularly exhibit their work in galleries, studios and cafés from potters and Aboriginal painters, to sculptors and furniture makers.

HISTORY AND CULTURE

The nearby historical village of Guildford with its collection of antique shops, cafés and pristine examples of European settlement buildings dating back to the 1830s, is the gateway to the Swan Valley and is well worth visiting. Picnic by the river, explore the antique shops, enjoy a pint in an historical pub or a delicious Devonshire tea at one of the many cafés that line James Street.

Within the city centre, enjoy free and easy transport with CAT buses. They run on four routes around the city. The CAT bus stops are easily recognisable and provide real time passenger information. Free CAT transport is also available in the city of Fremantle and Joondalup. You can also enjoy free travel within the 'Free Transit Zone' in Perth City. This allows you to travel on a Transperth bus or train within the boundary limits for free. FTZ signposts are displayed on route limits. For bus travel outside the FTZ, you can buy a ticket from the driver or a SmartRider from any Transperth InfoCentre or authorised retail outlet.

TRAINS

For the trains, the FTZ boundaries are City West on the Fremantle line, and Claisebrook on the Midland and Armadale lines. Tickets can be purchased from machines at each train station, or you can validate your SmartRider before entering the train. DayRiders and FamilyRiders are also available. From Perth Central, train lines run on five lines to Armadale in the south east, Fremantle in the south west, Butler in the north, Midland in the east and the Southern Suburbs Railway line to Mandurah in the south.

FERRIES

Ferries to Fremantle and Rottnest Island and other river cruises depart from Barrack Street Jetty located on the river foreshore. You can also catch a ferry across the

river to South Perth from Elizabeth Quay located beside Barrack Square. For further information on Transperth CAT, bus, train and ferry services, visit Transperth offices at Elizabeth Quay Bus Station, Perth Busport, Perth Station or Perth Underground Station. Otherwise, contact Transperth by calling 13 62 13 or visiting www.transperth.wa.gov.au

CYCLING & WALKING

Perth has a comprehensive network of cycle and dual-use paths in the city centre and beyond. One of the most popular routes for leisure cyclists and walkers is a circuit around the Swan River at the doorstep of the city. Riverside routes are clearly signposted and detailed cycle maps can be obtained from most metropolitan bicycle retailers. If you don't have your own bike, you can hire one from 'About Bike Hire' located at Point Fraser Reserve on the river foreshore.
