### User experience search scenarios

Scenario	Description
A	Your family has just moved into the City of Wanneroo and you want to find out what sporting clubs your children can join.
B	You need to do research for a school or university assignment and need to find the library closest to your home.
C	Your children need to start swimming lessons, so you want to look into the available pools and facilities in the City of Wanneroo.
D	Your daughter is keen to start dance lessons and wants to look up the different types of dance available and locations.
E	You live in Yanchep and want to find out what nearby events are coming up.
F	You want to help restore the bio-diversity of a park and want to find out what "Friends Groups" are available to join.
G	You enjoy motorsport and want to find out what coming events are planned for the Wanneroo Raceway
H	Your grandchildren are visiting and you want to find the nearest park to your home – one with a children's playground.
I	You have just retired and want to join a Men's Shed and need to find out the closest facilities.
J	You have young children and want to find out where your closest playgroup is so that you can meet new people while your kids are having fun and creating.
K	You plan to buy your son a skateboard for Christmas, but before you do, you want to find out where the nearest skate parks are located.
L	One of your children has just been diagnosed with autism and you want to find out what programs and support services are available.
M	Your parents are losing their mobility and need extra care, so you would like to explore available nursing homes in Wanneroo.
N	You have moved into Girrawheen and you want to find out what nearby facilities are available.
O	You've just moved into the City of Wanneroo and want to find the nearest place of worship.
P	You live in Yanchep and want to book a room in a nearby community centre for your local parenting group
Q	One of your parents has developed a neurological condition and needs disability accommodation. You need to find out where these services are available.
R	Your son wants to take up rugby and join a local team, so you want to find out where the closest clubs are.
S	A group of friends are keen to play social tennis together and you want to find out what courts are available to hire.
