

## MAYOR'S MESSAGE

Mayor Tracey Roberts JP

The City's COVID-19 recovery process is progressing well with some of our customer facing services returning to normal.

I hope residents are enjoying borrowing books from the library,

participating in fitness classes at Aquamation and dropping in to our Hainsworth and Clarkson youth centres.

It has been wonderful to see people once again visiting local cafes and shops while adhering to the social distancing requirements.

Please support our local businesses who are the cornerstone of our economy and community; whether it is through purchasing a coffee, enjoying a sit-down meal or shopping in general.

You can also assist by sharing positive comments and reviews of local businesses on social media using the [#SupportWannerooLocal](#) hashtag.

If you are a local business owner and need advice, please contact the City's Advocacy and Economic Development team at [economic@wanneroo.wa.gov.au](mailto:economic@wanneroo.wa.gov.au)

It has been a challenging time for everyone and as I have said before, the health and safety of our residents, businesses, employees

and community is of the utmost importance.

We will keep working in conjunction with the State Government and the COVID-19 Roadmap to Recovery program to ensure the safe and timely opening of all our facilities and services.

For the latest information about which City facilities and face-to-face services are open, visit [wanneroo.wa.gov.au/COVID-19recovery](http://wanneroo.wa.gov.au/COVID-19recovery) or speak to our friendly customer service team on 9405 5000.

## Kingsway Indoor Stadium gets ready for COVID kick-off!

Tradespeople have temporarily replaced players on the courts of Kingsway Indoor Stadium in Madeley as the Centre prepares to reopen.

The City was required to shut Kingsway's doors to patrons in order to comply with social distancing measures and the closure has allowed the City to bring forward maintenance works which include recoating and resurfacing courts, lighting upgrades and painting.

Mayor Tracey Roberts said sports players and fitness class participants can expect to return to a fresh, upgraded facility when Kingsway reopens.

"Not only will our courts look great, they will provide better grip underfoot - providing a safer and more enjoyable environment for players and participants," said Mayor Roberts.

Meanwhile at Wanneroo Aquamation, the City used the shutdown for a range of improvements including new hot water systems and upgrades to plant equipment.

"By conducting these works during the shutdown, the City has been able to provide better facilities for the community - whilst generating work for local tradespeople and suppliers," said Mayor Roberts.

Recoating the courts at Kingsway Indoor Stadium.
