I have been a resident of Merriwa for over 20 years. I am a grandfather of 5 and great grandfather of 4. I am a strong advocate for our community and always willing to listen to any concerns residents may have, I am a strong campaigner for a 50m Aquatic Pool. I support small business and a safer community, including more CCTV cameras and more sport and recreational facilities. I also believe in keeping fees and charges as low as possible, ensuring your rates work for you. I strongly believe in supporting people with a disability to participate in all sporting activities on a Have a Go day. I will carry out my duties with integrity and honesty and seek your support to elect me as your local member.
