## **HERRIDGE, Natalie**

Landsdale has been our home for 17yrs & given us a community we want for our 3 girls to grow in. We live, play & work in the City with our family business in Wangara. I'm passionate, loyal & try to always do what is right, for everyone. I hold close old school values & my drive is to give back. Promoting myself isn't natural, I'd prefer to shout you a coffee at the local rather than knocking on the door. I'm on Landsdale Primary P&C & School Board & support Neighbourhood Watch, our community is special to me. I've been in the background already, supporting our community. Now I'm asking you to support me. As Councillor I'll advocate for our ward & help you understand why things are the way they are. To vote for me is a vote for difference, honesty & to continue giving to our local community
