These are just some of the focal point I plan to bring to my local council ,if elected.

A vote for me, is a vote for you.

As the founder of a local volunteer organisation as well as being a local resident, I have a deep rooted passion for my community. Serving my fellow man is second nature.

My service to my community has included co-ordinating events for the homeless & at-risk families, and supporting local community members in crisis, something I am deeply passionate about. I have been a strong advocate for my community in various forums over the years, and it would be my honour to serve as your councillor.

Vote Siham Benz for a strong thriving community.
