

## Deputy Mayor's Message

**Brett Treby**

Welcome to the April edition of Wanneroo Link. I hope you all had a happy and safe Easter.

We're wrapping up April with an exciting weekend of events in the City of Wanneroo.

If fast cars get your adrenalin pumping, get excited for the 2022 Bunnings Trade Perth SuperNight at Wanneroo Raceway.

There will be plenty of action for the whole family at the two-day supercar extravaganza on Saturday 30 April and Sunday 1 May. Tickets available at [supercars.com/perth-supernight](http://supercars.com/perth-supernight)

Heading to the coast, the City is also a proud sponsor of The Marina, Mindarie's free Toast to the Coast event on Saturday 30 April.

Enjoy gourmet food stalls and tastings, along with Western Australian wine, cider and craft beer tastings, a selection of street food stalls, street performers, live

music, roving entertainment and kid's activities. Find out more at [thamarinamindarie.com/whats-on](http://thamarinamindarie.com/whats-on)

Back by popular demand, travelling Anne Frank exhibition 'Let Me Be Myself,' has returned to the Wanneroo Gallery.

The thought-provoking exhibition tells the personal story of Anne Frank in the historical context of her time, highlighting the relevance of her experiences in contemporary society in relation to prejudice, discrimination and exclusion.

The free exhibition opens on 4 May and runs until August. Visit [wanneroo.wa.gov.au/annefrank](http://wanneroo.wa.gov.au/annefrank)

I'm pleased to report the City's Great Recycling Challenge was a great success!

In March and April, our friendly Community Waste Educators were checking participating households' kerbside waste, recycling and garden organics bins, and leaving feedback tags to help our community recycle right.

By the end of the Challenge, nine

Toast to the Coast at The Marina, Mindarie will be held on Saturday 30 April.

out of every 10 recycling bins that were checked had low to no contamination!

Finally, I'm delighted to announce the City's Waste Services team has been recognised in two categories in the Waste Authority's 2022 Waste Sorted Awards.

Our multilingual waste education resource, the 'Talking My Language' toolkit, is a finalist for the Waste Innovation Award, and the Waste Services team is in the running for Waste Team of the Year.

Congratulations to everyone involved and good luck at the awards!

## Exciting immersive Sunset Coast experience

Perry's Paddock.

The City of Wanneroo has partnered with Destination Perth to bring residents a unique trail experience along Perth's sunset coast.

The Sunset Coast Immersive Trail invites people from near and far to discover Perth's most significant historical sites and take a step back in time through augmented reality (AR).

The trail contains seven historical sites, including the 10th Light Horse Trail and Perry's Paddock right here in the City of Wanneroo. Visitors can scan QR codes at the sites to delve into an immersive AR experience via Facebook or Instagram.

Step back in time at Perry's Paddock in Yellagonga Regional Park.

Named for Jack Perry, who bred racehorses at the turn of the 20th century, the paddock was a popular venue for big sports, horse races and picnic days, and the cottage, stables and bunkhouse are representative of the lifestyle of early European settlers.

Experience the 10th Light Horse Trail - an historic World War II

campground where 600 men of the 10th Light Horse made their home in the bushland of Wanneroo.

There are sites to explore throughout the cities of Wanneroo, Stirling, Joondalup and the Town of Cottesloe, so get a group together for a historical experience like no other!

Learn more about the Sunset Coast Immersive Trail at [destinationperth.com.au/sunset-coast-immersive-trail](http://destinationperth.com.au/sunset-coast-immersive-trail)

### Discover Wanneroo

#### Your one-stop-shop

LOOK

Discover Wanneroo is your one-stop-shop for local hidden gems, events, sunset drink locations, family activities, natural wonders and hot restaurant recommendations!

Like and follow Discover Wanneroo on Facebook and Instagram to discover more from beach, bush and beyond. [discoverwanneroo.com.au](http://discoverwanneroo.com.au)

### Verge trees

#### Enhance your suburb

FREE

The City of Wanneroo offers a free verge tree planting service every winter. Planted trees are watered by City staff for a two-year establishment period and maintained by the City for life. There are several species to choose from, register for a free tree before 30 April.

[wanneroo.wa.gov.au/vergetreerequest](http://wanneroo.wa.gov.au/vergetreerequest)

### Bulk waste collection

#### Annual pick-up

JUNK

The City's bulk waste verge collections get underway later this year, starting in Koondoola in May. During June, collections will be in Alexander Heights, Girrawheen and Marangaroo.

Check your suburb's collection dates and find out what can and can't be collected.
